VOLUME 13.

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

Locals Take First Game In Great Fashion With Baird Pitching Good Ball — Support Gives Way In Fourth Inning of Second Contest—Visiting Pitcher Hurls Excellent Game.

North Side High School of Fort Worth demonstrated conclusively Friday afternoon that it is at least champion of north Texas in baseball and, as far as Vernon is concerned, possesses the titular honors for the entire State. After losing the first game of a double header by the score of 3 to 1, the Tarrant county lads came back with more than a vengeance and took the second contest 5 to 1 by playing clean, heady baseball and taking advantage of every break. Baird, local pitcher, hurled magnificently in both games, but wobbly support in the fourth inning of the second game denied him the chance to send the Fort Worth lads home with a double defeat.

Vernon was defeated at Fort Worth late in May, and was obliged to win both games Friday to annex championship honors. Winston's men played an excellent brand of ball in the first game, and, aided by pitching which allowed the visitors but one lone hit, took the game fairly easily. During both contests Baird struck out twenty-one men.

Visiting Pitcher Improves.

Baird, Curtis, and Small displayed the best ball for Vernon, and Jack Tarpley, Washburn, and Holland were the stars for Fort Worth. Tarpley actually improved in the second game in his pitching and the locals garnered but four scattered hits, some of these being of the scratch variety. The nine hits annexed by the visitors in the second game were also largely pop ups that were missed and could not be counted as errors. Holland, shortstop for Fort Worth, covered his share and more of infield territory and proved a fast man on bases. Washburn possessed a deadly pedigree second that nipped man after man of Vernon's team.

The locals resorted largely in both contests to a bunting game that finally cost them their undoing. Exceptionally few balls were knocked to the outfield by either team. Following are the games play by play.

First Game—First Inning.

Fort Worth—Joe Tarpley was safe at first on Delmaso's error. Rosen struck out. Holland flew out to Small. Washburn hit to right field. Tarpley went to third. Wolf struck out.

No runs, one hit, one error.

Vernon—Small flew out to Clark. Larimore walked. Curtis hit to Jack Tarpley who threw to second to catch Larimore. Holland dropped the ball and both men were safe. Smith sacrificed. Larimore scored when a throw to third went wild. Curtis scored on Cabe's single. Cabe was out stealing two runs, one hit, two errors.

Second Inning.

Fort Worth—Clayton struck out. Clark was safe on Delmaso's error. Hull struck out. Jack Tarpley was hit by a pitched ball. Joe Tarpley walked and the bases were full. Rosen struck out.

No runs, no hit, one error.

Third Inning.

Fort Worth—Holland was out. Delmaso to Cabe. Washburn was out. Smith to Cabe. Wolf struck out.

No runs, no hits, no errors.

Fourth Inning.

Fort Worth—Clayton was out. Smith to Cabe. Clark struck out. Hull struck out.

No runs, no hits, no errors.

Fifth Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley walked. Rosen walked. Holland hit to Smith who became excited and made a bad throw.

J. R. CALDWELL IS MADE CHAIRMAN OF FARM BUREAU

Hinds Man Placed at Head of County Organization at Meeting Saturday—Other Officers and Directors Chosen—Women Expected To Play Important Role—Advocates Talk.

J. R. Caldwell of Hinds was elected Saturday to the presidency of the Wilbarger County Farm Bureau by a meeting of delegates in the district court room. Mr. Caldwell won in the election over Clyde Waits of Dooms. Lon Byars was chosen vice-president and W. A. Walker secretary-treasurer.

Directors in the organization were chosen from the various parts of the county as follows: District No. 1, W. M. Bowman; No. 2, W. H. Stephens; No. 3, Perry White; No. 4, E. J. Boaz. Women directors named were: District No. 1, H. A. Blevins; No. 2, Mrs. J. D. Turpin; No. 3, Mrs. George Bucy; No. 4, Mrs. J. T. Houtchins.

T. M. Haney Speaks.

The meeting Saturday was opened by a talk from T. M. Haney, president of the Foard county bureau. Mr. Haney strongly advocated interesting the county's women folk in the bureau project, and getting the organization to work immediately. He reminded those present that the State bureau is attempting to organize an immense pool of cotton by the first of July, and that the mouth of June is all to short for the local bureau to utilize in contributing its share.

The end sought by the bureau will demand an immense amount of energy, the Foard county president asserted. Wilbarger county, he pointed out, is regarded as one of the banner counties of the State, and the project locally should be a great success.

Dwells On Qualities.

T. F. Davis of Rayland, one of the speakers on the county team, followed Mr. Haney on the program and set before those present the qualities it is necessary for a county chairman to possess. He used Mr. Haney much of the time as an example of diligence and perseverance. He asserted that every one in the bureau is bound by the same contract, and once it has been signed there is no opportunity for backing out.

Arrangements are under way to obtain as principals for the day Joe Smith of Dancer and Martin Geurs of Wichita Falls. Light heavyweights and clever, fast boxers. These men have reputations as clean reliable fighters and can be counted upon for an excellent battle.

Preliminaries will be staged by club members and a few outsiders. They will consist of boxing and wrestling bouts.

The boxing program is being arranged in order to provide the athletic club with funds for new rooms and equipment.

Native of Vernon.

The bride was born and reared in Vernon and graduated from the local high school in 1917. Following her schooling here, she attended the Canyon normal school for two years. She has many friends here and is one of the most attractive of Vernon's young people.

Robert O. Brown is one of the proprietors of the Vernon Drug Store and came to this town two years ago the first of June. He has been in the drug business since that time. Previous to that he was associated in business with George Hardin, one of his present partners, at Wichita Falls, and before that lived two years at Cooper.

His father, A. W. Brown, lives at Tulsa, Okla. Mr. Brown is a graduate of the Fort Worth University and the Fort Worth Medical College.

Out-of-Town Guests.

Out-of-town guests for the wedding were Mrs. Gaines L. Tanner and son Billy of Dallas; Miss Pearl Eakle, sister of the bride, of Dallas; Miss Florence Brown, sister of Mr. Brown, from Wichita Falls; Mrs. R. M. Gilchrist, widow of Burkhardt; and Mrs. Fannie Drummond and children of Paducah.

Mr. and Mrs. Brown will return to Vernon about June 15 and will live at the residence of Dr. J. A. Nunn on Main St.

Chautauqua tickets will be placed on sale Friday according to an announcement made by R. D. L. Killough, committee chairman, this morning. The exact method of sale to be observed has not as yet been decided upon, but a representative of the chautauqua is expected here shortly to give directions.

Those who will engage in selling tickets will be tendered a banquet Friday evening. Mr. Killough is desirous that the public does not wait to be called upon for patronage to the chautauqua, but that persons voluntarily make purchases of tickets and thus save a great amount of time for the committee.

Harry J. Ertle has been selected by the New Jersey State Boxing Commission to referee the Dempsey-Carpentier fight in Jersey City, July 2. Ertle's experience as a referee began in 1918 when the Hurley law went into effect and since then he has refereed a large number of important fights in New Jersey. Among the bouts over which he has presided was the Carpenter-Levinsky bout, last year.

No runs, no hits, one error.

Fifth Inning.

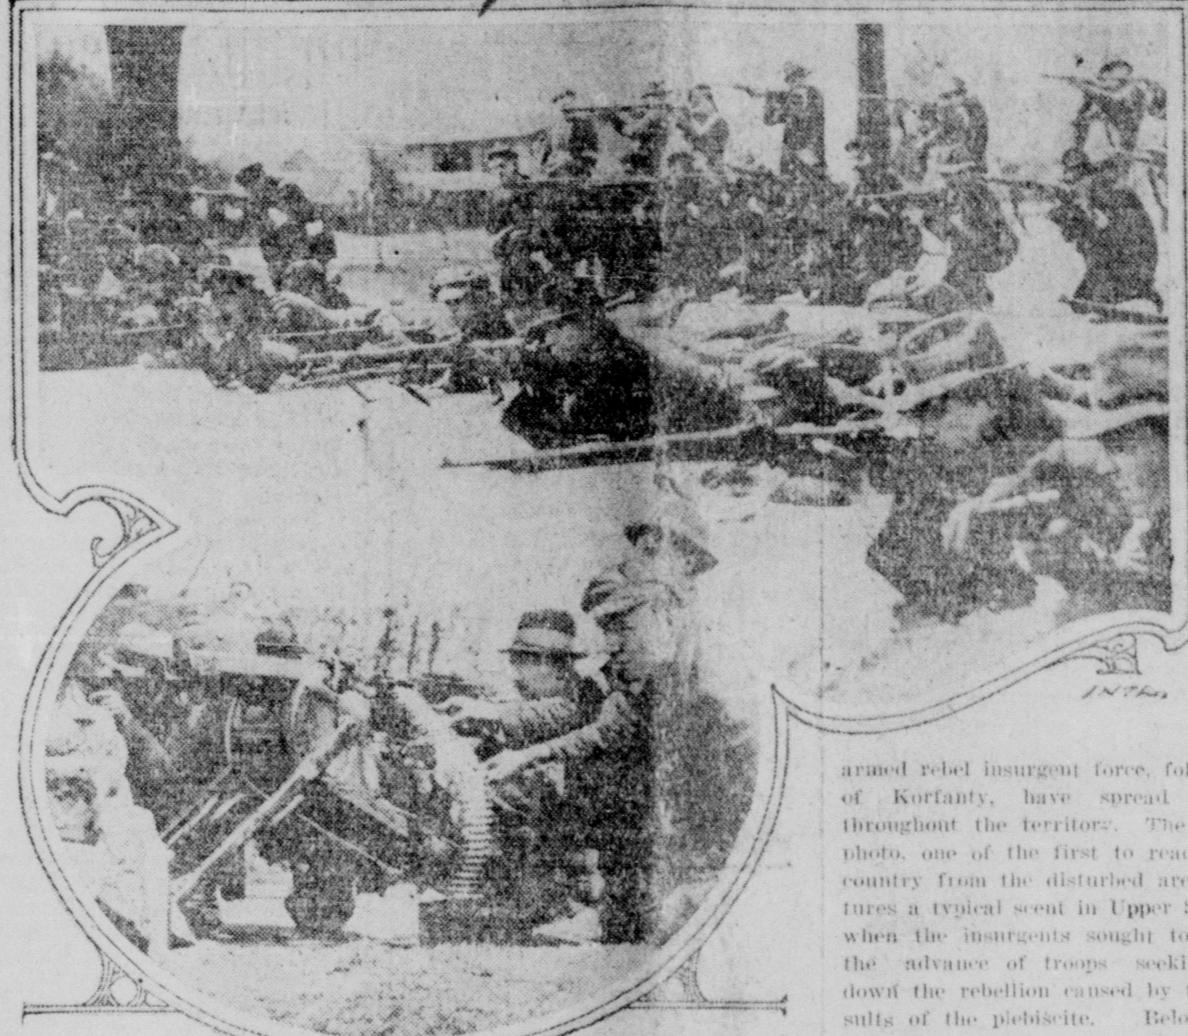

Fort Worth—Jack Tarpley struck out. Joe Tarpley walked. Rosen walked. Holland hit to Smith who became excited and made a bad throw.

No runs, no hits, one error.

Fifth Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley walked. Rosen walked. Holland hit to Smith who became excited and made a bad throw.

MISS HAZEL EAKLE AND R. BROWN WED

YOUNG COUPLE LEFT SUNDAY FOR FORT WORTH AND DALLAS.

QUANAH CHURCH IS SECOND WITH QUOTA

REV. O. P. CLARK REPORTS AN OVERSUBSCRIPTION TO EDUCATIONAL FUND.

Miss Hazel Eakle, daughter of Mr. and Mrs. L. C. Eakle, and Robert O. Brown were married Sunday morning at 10:30 at the home of the bride on the corner of Eagle and Marshall Sts.

Rev. Gus Rammage wedded the young couple, and the ring ceremony was used. Immediate friends and relatives of Mr. and Mrs. Brown were present.

White gladiolas, sweet peas, and sunflowers were used to decorate the room in which the wedding was performed, making a most attractive setting. The bride was attired in a wedding gown of gray taffeta trimmed with silver lace and accessories to match. Her traying suit was of blue tricotine.

The newly married couple left Sunday afternoon for Fort Worth and Dallas and were given an effusive farewell at the Denver station by a large delegation of friends.

Native of Vernon.

The bride was born and reared in Vernon and graduated from the local high school in 1917. Following her schooling here, she attended the Canyon normal school for two years.

She has many friends here and is one of the most attractive of Vernon's young people.

MOTOR TRUCK LAW TO BE ENFORCED BEGINNING JUNE

with some thought of the thought ad given to the set Man of unity

(Continued from page 1)

real line of distinction the tire equipping the speaker declared, of vehicle and place of difference between 100 p v women and the town we make clothes line. The inside of Pneumatic the same, the same things make Solid tire, ad discouraged, help us or Iron, stay us. We are the same human beings no matter where we live; but it is how we live that makes us unlike. A plan of living that will eliminate these superficial lines will have to be worked out by the women because men are too busy with material things."

Ours To Begin Things.

"Where are some ideals that we can hang up in solving this problem of living?" she asked. "The County Federation is beautiful one. Before another thirteen years I hope that every woman in the county will be linked with some others in club work of some kind. It will develop her as nothing else will and it will make her a part of a greater community than her own family circle."

"Some people actually wonder why women are so narrow minded?" Mrs. Warner spoke in a surprised tone. "I think we are wonderful compared to the secluded lives that most of us live. Many men dislike their wives to belong to clubs and other organizations because of the squabbles they get into. Now let me tell you," the little woman enunciated in stern tones, "if there is ever a squabble worse than the one our men folks had in the last state and federal election I don't want to hear of it."

"It is ours to set up ideals which our children and grand-children may attain. We should work for the coming generations and not for ourselves alone; we should not hesitate to start working toward an ideal which we know is too far ahead to be reached in this generation; for think—if our mothers had not striven for things they never attained we would not be enjoying those things now."

"To make Texas perfect we must first make the small county—unit perfect. The State Federation hasn't yet touched half of the phases of woman's life; but the heart of the organization is growing faster than its head and it is even now throbbing with love for women all over the country. Often, however, we become impatient with our growth, never stopping to realize that our opportunities are much greater than were our mother's. It is ours just to try to lay the foundation for a perfected life."

Mrs. Warner received applause when she declared that she was more in favor of beginning at the source of life—youth—and preventing a generation from becoming a criminal one than she is in promoting work to reform the criminals already made.

Many Criminals Now.

"Criminal tendencies are like weed seeds; they blow in and take root where nothing else is growing. It requires no effort to grow a generation of criminals and it seems to me that we have made a wonderful success in growing a crop of them in this age. I believe there were never so many women criminals as we read about in the papers of today. Maybe it is because the life is off us for the first time and the crushed and pent up spirit of the woman who has been a slave to men is getting even at last."

"Women are not as big fools, though, as some men expected us to be," Mrs. Warner said a trifle boastfully. "The Creator made no mistake in making women for the home, but there is much that needs to be done outside to make that place pure and fit for her to stay and rear her children. Women have been driven out of their rightful place, the home, by the crime of men; but if we can create a sentiment for laws that will make the men of the nation support women in their homes we will be on the approach to a perfected generation."

"To have our nation peopled with individuals such as we would choose we must control the creation. We should get an ideal of a boy fifty years from now and work toward that ideal. We can't control creation by making our boys and girls marry whom we pick for them, but if society were what it should be we would not have to worry about their marriages nor the coming generations."

Needs Full Purse.

"One of the biggest missions which we have now to fulfill is providing a means for the country woman to have a purse of her own that is not empty. There should be a cash market for butter and eggs so that the farm woman can dispose of her left overs and have money to buy the things that town women enjoy."

Mrs. Warner emphasized that fact that the egg and butter problem is a bigger one than the cotton problem, because the egg money comes back to the home in the form of music, good books, electric lights, bath rooms and other things that make life more comfortable and more enjoyable to the women and children; while cotton money usually goes to buy machinery to grow more

cotton to buy more machinery."

"Do you know," the speaker asked, "that 65,000 girls of our nation were actually lost last year? Where they went no one knows. They simply disappeared, and why? Because the dinginess and stinginess of their homes made them seek the light. They went out into the world untaught concerning its dangers and they were trapped into oblivion. It is said that ninety per cent of fallen women come from the country. They fall, in the city where they go to seek the cash job that will give them pretty clothes and evening pleasures such as their sisters of the towns and cities have."

Need New Education.

"One of the largest ideals of the present day is that of a perfected education that will educate for life instead of cramming the heads of our boys and girls to full of facts and figures their very energy is snuffed by the store of useless knowledge they carry. Let us get a vision of what our children need and put those things into our schools."

Mrs. Warner paid tribute to the county demonstration agents in speaking of them as the hope of the rural woman and the link between the country and the town. Through them the girls are taught things that will make of them more capable women, even though the mothers of them refuse to attend club meetings and learn things for themselves.

"The Women's Club is the only school possible for every woman. Through such organizations we get history, art, and literature after we are old enough to appreciate it."

Praises C. L. A.

In closing Mrs. Warner spoke of the College of Industrial Arts as a school built toward perfection. Girls are studied there, she explained, and then they are taught the things that will make them happy in giving service.

"It is ideals we need more than money, and it is ours to start to a new day. We should rear our boys and girls to carry out our dreams. They will be better for it."

Following Mrs. Warner's address Mrs. Harry Colley played a piano solo and Mrs. Edgar McHugh read a poem on "That Little Small Town Spirit." Before the address Mrs. John Brown gave a violin solo, accompanied by Mrs. W. N. Stokes.

Mrs. Newby Responds.

The afternoon program opened with an invocation by the Rev. Gus Ramage followed by the singing of "America." Mrs. J. E. Collins made a short welcome address to which Mrs. C. H. Newby of Quanah responded.

Reports of the various clubs concerning their accomplishments of last year and their aims for the present year were made as follows: Home Science, Mrs. Emory Rhoads; Parent-Teachers Association, Mrs. J. E. Lutz; Culture Club, Mrs. J. N. Johnson; Adelphian Club, Miss Harriet Thomas; W. C. T. U., Mrs. J. H. Watts; County Clubs, including those at Tolbert, Okanogan, Elliott, Doans and Wild Cat, Mrs. H. A. Blevins of Okanogan, and Civic League, Mrs. T. P. Lisman.

The following resolutions, prepared by Mrs. S. E. Lloyd, Mrs. W. M. Schindler and Mrs. W. E. Colley read and were proposed by the latter and unanimously adopted by the Federation.

Resolved, first, that we the Willbarger County Federation of Women's Organizations, tender a rising vote of thanks and appreciation to Mesdames Phoebe K. Warner and C. H. Newby for their visit to us at this time and their splendid inspirational addresses, and we bid them God speed in their work of loving helpfulness.

Second, to the Vernon Record for their hearty cooperation and general publicity of our work.

Third, to the members of all committees for their faithful discharge of duties.

Fourth, to the pastor of the Central Christian Church for the invitation to hold this session in his house of worship, and for his willingness to assist in the services.

Fifth, that we have the best and most fitting president in the big state of Texas.

The Saturday afternoon meeting was

followed by an automobile ride over town and to Hill Crest Country Club. A reception was given at 8 o'clock at the home of Mr. and Mrs. Harry Mason. The presidents of the various clubs together with their husbands and the two guests of honor, Mrs. Warner and Mrs. Newby, stood in line. A musical program was given and a short talk was made by Mrs. Warner.

condition was the stumbling block to his happiness until a golf ball hit him and brought on a bad case of love. Now hotfoot after a flirt and a fortune, he wonders how he could ever have found war exciting.

Thompson Community

Thompson, June 6.—(By special correspondence.)—The recent rains that have fallen were very much appreciated by the farmers of this community. They will be very beneficial to the crops.

The farmers of this community have begun harvesting their grain crops.

Mrs. J. T. Latimer and two sons, Floyd and Virgil, of near Chillicothe, have been visiting her brother, John Cheatham and family.

Floyd Latimer and his two cousins, Misses Alverda and Leora Cheatham visited Misses Mary Lou and Leatha Dennis Wednesday night.

Robert, and Misses Ruby, Jewell, Clara Mae, and Mary Sellers of White City spent Sunday night with their uncle, T. M. Dennis, and family.

Monroe Dennis has been suffering with his eye after getting sand in it. He is improving rapidly.

O. P. Crates made a bushy trip to Rayland Saturday.

The club girls of this community met Miss Edith Lacy at the home of Mrs. A. F. Gaston and took lessons on preparing salads. They will meet with Misses Alverda and Leora Cheatham next Friday.

Importers, exporters, travelers—ship and sail under the Stars and Stripes

There are today few ports in the world of importance to shippers or travelers, which cannot be reached by ships that sail under the Stars and Stripes.

President Harding has said that, "We cannot sell successfully where we do not carry". The American Merchant Marine that once almost vanished is again an established and important carrier of the world's commerce.

You can ship or sail anywhere in American ships designed for utmost comfort and safety.

The Story of Our States

By JONATHAN BRACE
XXVIII.—TEXAS

THE ill-fated expedition of Navarez was responsible for the first interest in Texas. This large expedition was wrecked at the mouth of the Mississippi in 1528. Four members including Cabeza de Vaca were captured by the Indians and spent eight years wandering through the country eventually reaching the Gulf of California. It was their accounts of rich Indian villages which led the Mexican governor to send Coronado to explore this country. He returned after a two-years' trip without discovering the reputed riches which he was seeking.

To counteract the aggressions of the French settlements in Louisiana, the Spanish established many missions throughout Texas, the most important being at San Antonio. When the United States negotiated the Louisiana Purchase from France they considered that Texas was a part of this territory. Over this question war was nearly precipitated but finally the United States withdrew their claims in exchange for Spain's withdrawal of claims to the Oregon region.

Many Americans began to settle in Texas, among them General Sam Houston and Stephen F. Austin. Mexico became alarmed at this rapid increase of American pioneers which threatened to crowd out the Mexican population. Oppressive measures were adopted and caused the Americans to rise in rebellion in 1836. During this uprising occurred the gallant defense of the Alamo by a handful of Americans and their slaughter by the vastly superior numbers of the Mexicans. "Remember the Alamo" became the Texans' slogan. General Houston decisively defeated the Mexican forces at the battle of San Jacinto and the Republic of Texas was launched with Houston as president. The flag contained one star, and from this came the name the Lone Star State. After considerable opposition from the North, Texas was annexed to the Union and became the twenty-eighth state.

SCHOOL TEACHERS LEAVE FOR SUMMER

NUMBERS HAVE RETURNED TO
HOMES IN VARIOUS PARTS
OF THE STATE.

Numbers of teachers in Vernon schools during the past year have left the city for their respective homes or places where they will summer. The majority of the instructors, however, live in Vernon.

Superintendent of Schools B. F. Sisk left Monday morning for Canyon where he will conduct the summer school. In the fall he will go to Leland Stanford University in California where he will be an instructor in English. Mr. Sisk is the author of several text books.

Mr. and Mrs. D. M. Hooper have gone to Boulder, Colo., for the summer. Mr. Hooper was a teacher in the Park school.

Of the high school teachers, Miss Mary Lynn Walker has gone to her home in Fort Worth; Miss Ethel Hatchet has returned to Abilene; Miss Mabel Rockett has gone to Waxahachie; Miss Pearl Russell has returned to Houston for the summer; and Miss Jessie Hickman has gone to her home in Marietta, Okla.

H. O. Smith, principal of the Shive school is at Canyon. Mr. and Mrs. W. C. Smith have gone home to Abilene. Mr. Smith was principal of the local high school. Miss Myrtle McKinney of the Central school has gone to Waco. Miss Florence Womack of the Central school has returned to her home in Colorado, Texas.

DELEGATES MAKE REPORTS ON DISTRICT CONFERENCE

An all-day meeting of the Methodist Missionary Society was held in the arch yesterday at which time were on reports of the Northwest Texas conference held in Quanah last week, session convened at 11 o'clock in Mrs. Etta Long in charge. After singing of a song a scripture lesson on Psalms was read and discussed. Mrs. Long who later reported on the conference. Lunch was served and half hours were enjoyed from 12 until 1 o'clock. The next hour was spent in study conducted by the Rev. S. W. Hayne, the lecture being on the return of Paul from the Council in Jerusalem on his first missionary journey. From 3 to 4 o'clock a business session was held and further reports on the conference were made by Mrs. S. W. Hayne, Mrs. L. E. McCurdy and Mrs. Etta Long. The next meeting will be held on the second Monday in July.

It was announced that Miss Alice McLarry had been awarded the scholarship from this conference to the Scarritt Bible and Training School in Kansas City, she having volunteered for the Foreign Field. She will take up her studies in the fall.

Conference officers elected at the district meeting are as follows: President, Mrs. G. N. Rollins of Abilene; vice president, Mrs. W. B. McGowan of Throckmorton; recording secretary, Miss Jessie Greene, Floydada; treasurer, Mrs. R. C. Montgomery, Haskell; superintendent of young people's work, Mrs. T. C. DeLaney, Memphis; superintendent of children's work, Mrs. L. D. Smallwood, Memphis; superintendent of publicity, Mrs. A. L. Moore, Memphis; superintendent of supplies, Mrs. J. M. Crawford, Childress; superintendent of social service, Mrs. J. G. Merritt, Colorado City.

Card of Thanks.

We wish to express our heartfelt gratitude to all for their untiring help and loving sympathy in the sad loss of our dear husband and father.

MRS. R. V. MURRAY and
1tp daughter Marguerite.

Real Estate Transfers.

O. A. Swinburn and wife, Mabel Swinburn, to Mrs. A. C. Swinburn, lot 12 of Stinson addition for one dollar.

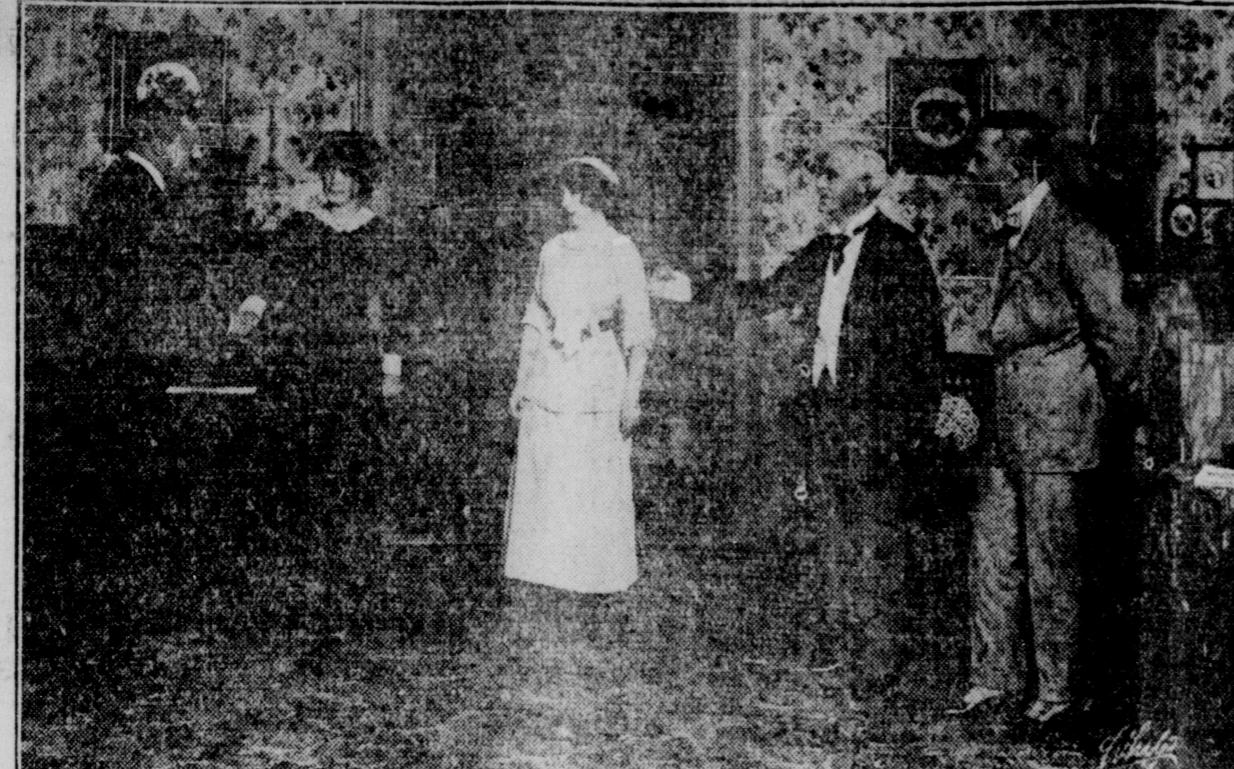

E. B. Owen and wife, Cora E. Owen, to Jay O. Russell, the east half of lots 9, 10, 11 and 12 of block 1, South addition for \$600.

Miss Geraldine Parker, daughter of Mrs. B. J. Parker and Miss Woody Dixon, daughter of Mr. and Mrs. J. A. Dixon, returned Sunday from a year's attendance at Ward-Belmont College in Nashville, Tenn. Miss Parker received her diploma from that institution this year.

Mrs. E. T. Richie spent a few days this week with her daughter, Mrs. J. A. Allman Pitts, enroute to her home in Lockhart, from Oklahoma City, where she underwent an operation. She will be accompanied by her daughter, Jo Katherine, who has been here for the past three weeks.

Mr. and Mrs. J. Thomas Doby motor ed up from Dallas last Sunday to visit the latter's mother, Mrs. T. W. Doby. Mr. Doby returned Sunday but Mrs. Doby will remain for several weeks.

WILL APPEAR AT VERNON CHAUTAUQUA THIS MONTH.

SCENE FROM "BROADWAY JONES."

By special arrangement with Geo. M. Cohan, Redpath-Horner are bringing the great Cohan success to Chautauqua

WANTS VACANT LOTS CLEARED OF WEEDS

CITY MARSHAL ISSUES PLEA TO CIVIC PRIDE OF VERNON RESIDENTS.

A plea to the civic pride of Vernon in regard to the cutting of weeds on vacant lots and tidyng up premises, has been issued by Marshal R. H. Bratton. Many lots are badly overgrown with weeds that are not merely unsightly, but are a harboring and breeding place as well for mosquitoes and disease, he says.

Especially on Main street, according to the marshal, is this condition noticeable. Parkings and vacant lots in this vicinity are for the most part badly in need of attention. It will be better for the property owners to cut the weeds voluntarily, it is pointed out, than to wait for a notification.

Leave Takes No Part.

The Civic League will take no hand in the matter of inducing the cutting of weeds this year, officers stated yesterday. Two years ago this organization participated in a drive of this nature, but the expense proved prohibitive and no plans were made for this year.

Joe Sumner, Guy Pettif and Miss Frances Hicks motored to Crowell Sunday.

Hinds Demonstration Club to Meet.

The home demonstration club composed of Hinds young ladies will meet with Miss Irene Muller Tuesday afternoon, June 14, at 2 o'clock.

Fresh potato chips at the Ice Cream Factory every Tuesday and Friday, 1c.

G. T. Allman and Carl Pitts of Wichita Falls visited with home folks Saturday and Sunday.

H. K. Huie, special agent for the Republic Fire Insurance Company, is in Vernon today.

Miss Elsie O'Neal went to Wichita Falls Sunday to spend a week with her sister, Mrs. Howard Heath.

Miss Amy Carroll Rutledge and Aileen Hollard returned Sunday from Denton where they have been attending the Northwest Texas State Normal School.

Mr. and Mrs. Robert Boyle, Miss Janie Boyle, and Mrs. Eunice Wilson and children left Monday morning for Mineral Wells where they will stay for two weeks.

Mrs. Grady Stapp of Birmingham, Ala., is visiting her mother, Mrs. C. L. Hall, and sister, Mrs. W. O. Powell, in Vernon. She will be here about six weeks.

Miss Ruth Hagan of Elystan Fields is visiting her brother, W. C. Hagan. Miss Hagan has been in school at Canyon.

A new size package!
Ten for 10c.
Very convenient.
Dealers carry both;
10 for 10c; 20 for 20c.
It's toasted.

 The American Tobacco Co.

Miss Mildred Moore returned Thursday from Tyler where she has been a student in Tyler Commercial College. She will spend the summer here with her sister, Mrs. E. L. Stanley.

Boy to Oklahoma City.
A boy was born Thursday, June 2, to Mr. and Mrs. Frank Hobson of Oklahoma.

Mrs. T. M. Ferguson returned Sunday from a visit to Greenville. Mrs. Ferguson's sister, Mrs. F. D. Stinson of Greenville, is visiting her at present.

Miss Genie Llewellyn went to Wichita Falls Saturday to visit friends and relatives for several weeks.

MORE RED TAPE.

Not the least of objections to the motor truck law effective Sunday is the bookkeeping required. It seems difficult for many of our law makers to conceive that the average man does not have a bookkeeper to record the number of miles he drives, the speed at which his car travels, and if he goes in more than one county, how far in each.

There are other required records, which would befuddle the mind of the average citizen, leaving him uncertain whether or not he is a lawbreaker.

The new law requires that application be filed for the registration of each motor vehicle used by him. There is a fee for this. Then there is a charge based on carrying capacity, on tire equipment, on weight.

Not only is the keeping of these records burdensome, the various fees to be paid seem unjust. Our farmers are finding that the motor truck solved many of their hauling problems, leaving more time for productive effort, for home improvement, or community endeavor. We are in danger, it seems, of making our laws so complex that we will pull down our civilization about our own heads.

Undoubtedly motor trucks are a heavy drain upon our highways. It is not unreasonable that they should pay somewhat for the damage they do. On the other hand, the owner of a motor truck must not be discriminated against.

It is understood that Governor Neff will submit to the special session of the legislature the question of repealing this bill. Surely the friends of the motor truck will look after their interests when this opportunity is given.

THE CLOCK PUNCHING HABIT.

One provision of the agreement put into effect while the Government had control of the railroads seems to have been that of allowing employees one extra hour each week for punching the clock. This extra hour was paid for regardless of the number of hours worked. It is said to cost the railroads \$6,445,655 in six months.

One of the causes of our present depression is the "clock-punching" habit that fastened itself upon us during those halcyon days of 1919 and 1920. The idea of too many men in high position, and low, was—not how much work for a day's pay, but how little.

We are gradually coming to realize that the "clock-punching" habit must go; that men must lay themselves out; that honest effort will place a man ahead if it is coupled with constructive thinking, loyalty and a happy disposition. Without any of these a man is handicapped.

One thing it is vital for young Americans to understand again is that neither George Washington, Benjamin Franklin, Thomas Jefferson, nor others who have stamped their names on the scanty roll of the immortals knew anything about "clock punching." James

J. Hill didn't know what it was. Nor can any man who expects to get ahead of the common average afford to acquire the "clock punching" habit.

We used to "get ready" on our own

Judge Ben B. Lindsey, the "Kid Judge" of Denver, attributes most of the evils we face to bad homes. By the term "bad homes" he does not mean homes that are positively evil, but that fail in the development of character—homes where the parents offer no companionship and little inspiration to their children.

"We must have a parenthood in this country," Judge Lindsey declares, "that first learns what evil is and knows how best to fight it. A parenthood that shall come to know that the child's greatest safeguard against evil is not so much by censorship, by a policeman with a club on every corner to direct what one sees, hears, or does, but by the simpler expedient, through companionship, spiritual training, education, ideals and confidences that will educate the child as to what evil is."

How many parents in Vernon really take time to consider the evils which their children must face, to understand the child's attitude toward life's problems? How many study their children enough and have fellowship with them sufficiently to inspire the boys and girls to confidence in their elders—that confidence that gains entrance into the child mind when grave problems arise, and shares in the struggle?

Judge Lindsey adds that there must also be some sportsmanship in our fight against evil—some sense of fair play. There are too many "squealers" he thinks, who try to put the blame on the other fellow when they go wrong.

We are engrossed too much in making money, rather than men; too much in the grip of greed, of materialism, of the idea of having a good time. Is there any question but that we must sacrifice somewhat of these in order to rid our day of many of its evils, and to raise up sons and daughters worthy of America?

TWO PREVENTABLE PESTS.

Weeds growing along our streets and on vacant lots will spring up as if by magic, following the abundant rains. The moisture will also turn various unsanitary spots into a paradise for flies. Because both flies and weeds are a menace to health, indisputable evidence of filthiness, and an eyesore to the beholder, it behoves us to wage unremitting warfare against both.

Two hours a week would keep down the weeds on any of the vacant lots, or along the highways. Is it asking too much to insist that the owner give this much time, if necessary to a task of such large importance to the community?

A simple trap constructed of screen wire, or bought for 50c, if fifty of them were placed by restaurant owners, grocers, confectioners, and in the back yards of home owners would so successfully cope with the fly, as to render the pest negligible. Then, if lime were used liberally around the breeding places of flies, they would practically disappear.

Why not make Vernon a weedless town and a flyless town?

CHRISTIAN ENDEAVOR CONVENTION AT WACO THIS WEEK

The thirty-second annual convention of the Texas Christian Endeavor will be held at Waco June 8 to 12, and between 1,000 and 1,500 delegates from all parts of the State are expected. Speakers of prominence will include Dr. J. H. Burma of Waxahachie, Dr. William States Jacobs of Houston, Dr. Colly D. Hall of Fort Worth, and W. Roy Breg of Dallas. Mr. and Mrs. A. R. Wilgus of San Antonio and Robert Jolly of Houston will direct the singing. Miss Ester McRuer, whistling soloist of Oklahoma City, has been secured for the convention.

The Christian Endeavor has grown

in Texas from a small band of young people to about 18,000 in number and about 600 societies. It is said this will be the largest gathering of young people in any state in the Union.

Miss Jamie Lester left Saturday

night for Arkansas to visit relatives and friends. She was accompanied by her sister, Mrs. Robert Wilson of Clarendon.

EXPRESS FAITH IN TRIANGLE HOLE

STOCKHOLDERS VOTE TO CARRY TEST DOWN AS FAR AS POSSIBLE.

Stockholders in the Triangle Oil Company yesterday expressed their faith in the test which has been put down south of town, and voted unanimously to finish the project as nearly as possible. The meeting was held in the basement of the library building, and much interest and enthusiasm was manifested by those present.

The liner will be pulled from the hole and drilling will proceed immediately, J. E. Watts said after the meeting. The bit will be sent down as far as possible, and every effort will be made to reach a paying strata. It is thought by drillers that neither sand struck thus far is of real paying quantity.

Hole In Good Shape.

The hole is in excellent shape, Mr. Watts said, and is ready now to be drilled deeper. M. L. Daily, the man who drilled in Sigler number 1, was present at the meeting and loaned added enthusiasm through expression of the belief that there is a depth still that carries oil.

Thus far \$49,600 worth of stock has been issued by the Triangle although it is capitalized for considerably more than this amount. Therefore it is planned to issue the same amount of stock again and sell it only to stockholders in the concern. This will be done at a very attractive figure.

SHOULD KEEP ON TRYING OIL POET SAYS IN VERSE

The following clipping is especially significant for the terse message it carries to local oil operators. It is printed with this consideration:

Sure Thing.

The proven fields now spouting oil were wildcat once, just common soil. Until a man displayed the nerve, and from his purpose would not swerve.

For all the knockers in the land—Until his drill had found the sand That put the works upon the square And made the man a Millionaire.

Then all the knockers, great and small, Their rotten luck began to bawl, And every measly tightwad hog Saw in the man a lucky dog. They couldn't see it wasn't luck; But common sense and bulldog pluck, And building castles in the air That made the man a Millionaire.

For you the same chance stands today To make the liquid gold sands pay. If you've the nerve to take a flyer, To boost your bank accounts up higher, We'll try to make your pockets fill If you but help us push the drill. Faint hearts never won a maiden fair, Nor cold feet made a Millionaire.

NO STATE LAW AGAINST GLARING HEADLIGHTS

There is no State law regulating the burning of blinding head lights on automobiles, according to a communication received by the Vernon Chamber of Commerce from the State highway engineer. Such a measure was enacted but was later repealed. An investigation was made by the local commercial body in response to an appeal from a Vernon hotel to attempt to obtain the enforcement of a law that would be of distinct service to traveling men, many of whom cover their territories in cars.

It is pointed out that traffic at night on the newly paved road east of town will be distinctly dangerous in the event that speeding cars are also equipped with high power lights. According to the Chamber, an appeal will have to be made to motorists to use dimmers when approaching other cars.

Will Plan Worm Eradication.

Dallas, May 27.—Plans for the eradication of the pink boll worm in Texas will be definitely laid at a conference to be held in Austin today. Two meetings will be held during the day, one with the Commissioner of Agriculture, George B. Terrell, and another later in the day with Governor Neff. The Texas chamber of commerce requested statewide organizations to send delegates to the conference, and the Texas Agricultural and Mechanical College will be represented.

Slight Cut In Government Rolls.

Congress, despite all efforts at economy, is unable to reduce the executive establishment to anything approximating their pre-war size. Before the war there were 27,000 Federal employees in the District of Columbia. When the armistice was signed the number exceeded 100,000. At the present it is 81,911. When the new year begins, between 4,000 and 5,000 will go because their salaries have been cut off.

Miss Lora Tacker of Crowell is visiting in Vernon.

RED CROSS NURSE FINDS MARRIAGE A FAILURE.

Mrs. Wallace Schultz.

Mrs. Wallace Strat Schultz, formerly the Princess Troubetskoy of Russia, and reputed to be the most beautiful Red Cross nurse in France, has found, it is said, that her marriage was all a mistake and a failure. She is now living in San Francisco under an assumed name to establish a residence there in order to bring suit for divorce from her husband, a popular Milwaukee clubman. Wedded bliss with her husband was all a mistake, she says, for after a few weeks of married life Captain Schultz accused her of having a husband and brought suit for divorce. The former Princess claims that Captain Schultz, when he married her, knew that her first husband, Captain T. Turpin, had been killed in action in France.

Oregon Farmers Pool Wheat.

Signed agreements for pooling approximately 1,000,000 bushels of wheat have been obtained by a co-operative grain growers' association formed in Oregon for the purpose of fostering and encouraging the business of marketing wheat, for reducing speculation, for stabilizing markets, and for co-operative handling of the problems of the grain grower, according to a report to the United States Department of Agriculture.

Savings Deposits Grow.

America's national savings bank deposits now stand at approximately \$6,500,000,000, according to an estimate of the Comptroller of the Currency. Exact reports on the entry will be collected by the Comptroller next month. Before the war, savings accounts in the nation's 30,000 banks totalled only \$3,000,000,000 or less than one-half that at present.

W. C. T. U. ADOPTS NEW RESOLUTIONS

MRS. E. L. McHUGH, DELEGATE TO CONVENTION, REPORTS ON THEM HERE.

Mrs. E. L. McHugh, local delegate to the W. C. T. U. convention held in Bay City, May 6, was hostess at the local chapter Thursday afternoon at which time she gave to the members a detailed report of the meeting which she attended. Others who took part in the afternoon's program were Miss Ola Ferguson who sang "Blue Bird," and Miss Mary McHugh who gave some piano selections. Angel cake and ice cream were served.

Mrs. McHugh gave to each of the members a little souvenir of her trip to the convention in the form of a card bearing a verse of scripture and a little piece of sulphur which she obtained from a mine she visited in Bay City. Following are the resolutions which were adopted by the convention assembled and which Mrs. McHugh presented to the local organization:

Preamble.

We thank God that the principles for which we have stood all these years are being worked out in the laws of the land and in the lives of men. We pledge ourselves to renewed service until through the blessings of our Lord we see a world freed from the domination of the liquor traffic and made safe for future generations. We thank God for the privilege of the ballot and pledge ourselves to work for the enforcement of the prohibition laws, and all the other principles for which we stand.

Declaration of Principles.

We reaffirm our belief that total abstinence for the individual and prohibition for both State and Nation constitute the only national solution of the liquor problem.

We believe in equal political rights for men and women and that the ballot in the hands of the women is a weapon for the destruction of the liquor traffic.

We believe that society, in conformance with God's law should maintain a single standard of purity for men and women.

We reiterate our belief in the establishment of courts of National and international arbitration which shall banish war from the world. We believe in a living wage, and equal pay for equal service; in justice, as opposed to commercial greed.

We therefore, declare our purpose to work during the coming year with increased zeal and deeper devotion for the promotion of the foregoing principles, and the accomplishment of our ultimate aim—prohibition for the world.

Resolutions.

Whereas, it is said on reliable authority that among civilized nations our country ranks second only to Japan in the number of divorces granted annually, and

Whereas, divorce is only a symptom of evils that are deep seated and increasing at an alarming rate in our southland; therefore, be it resolved, that we favor legislation that will safeguard the marriage relation by requiring:

(a) Certificate of health from both contracting parties before a marriage license is issued.

(b) Withholding the marriage license from idiots, feeble-minded, epileptics and persons with incurable, communicable diseases.

(c) That in crowded court centers, Courts of Domestic Relations be established to care for the interests of women and children.

Resolved, that we continue to demand that the "age of consent" be amended so as to protect the girlhood of Texas until the age of 18 years is reached.

And, whereas, the conservation of child life is a National necessity, and whereas, the use of Narcotics and stimulants is weakening the young, therefore, be it resolved that we protect against the widespread sale of cigarettes to our boys and girls, and especially do we most vigorously protest against smoking in public eating places.

Want Industrial Care.

We deplore the fact that our legislators have seen fit to place the Sanitary Live Stock Commission, caring for calves and pigs, upon a higher plane, than our hard won department of Women in Industry, therefore, be it

Resolved, that we insist that our legislature establish by law an adequate Commission to care for the interests of Women and Miners in the Industrial field.

Resolved, that as citizens of Texas we feel it but justice to ask that women be placed upon Boards of Directors of all State and County Fairs, and every public institution wherein women are concerned.

Resolved, that we as an organization that stands for Sabbath observance, go on record as being opposed to the sentiment abroad in Texas tending toward running moving picture shows on Sunday, in violation of the law.

Knowing it as a fact that some moving picture shows are largely the cause of the moral decline, and that

they are schools for crime and vice, as is evidenced by the fact that Chicago Chief of Police has had to forbid films in which are exhibited scenes of crime, because of the shocking increase of juvenile crimes, attributed directly to the picture shows, and that there is no doubt whatever that one of the causes of the awful crime wave which is cursing our country from one end to the other as never before in its history is traceable to the moving picture and as senseless and demoralizing as some of these pictures are, parents continue to take their children to them, and that if we stop the diligent, successful and wholesale teaching of our children the arts of thieving,肆意 and murder; we will have to rise up and demand of our government officials that they make laws forbidding the exhibiting of such pictures, therefore, be it

Resolved, that we make war on all indecent films; whereas, there is a serious lowering of moral standards all over the world and this moral decline is threatening the sanctity and safety of our homes, due in part to the scant and immodest clothing of our women and girls, as seems the fashion now, we recommend a sane and healthful conformity to the fashion of the day.

Ask Bibles In Schools.

Whereas, we realize the education of our children must be four fold, mental, moral, physical and spiritual, and whereas, we deplore the fact that the time honored custom of reading the Bible in our public schools is decreasing, therefore, be it

Resolved, that we ask our principals and teachers throughout the State to open school each day with the reading of the Bible.

Whereas, our time are so stressing in the financial affairs of the day, therefore be it

Resolved, that we, as individual women and as an organization by practise and by precept, spread everywhere the virtue of economy, crying out against luxury and that the local unions take definite and concerted action against greed and waste, showing this to be the way of a peaceful adjustment.

And, whereas, the public school system of the State is seriously hampered by reason of the present system of taxation.

And, whereas, there are so many foreigners in our State needing Americanization, therefore, be it

Resolved that we request an adequate appropriation be made by the Legislature for this work.

And, whereas, there are many abuses in our present prison system we favor the enactment of better laws, and working toward a better and more humane system for our State, to the end that the inmates of the institutions may be reclaimed for better lives, and that women inmates be given some profitable industrial employment.

Thanks To Bay City.

We wish to express our great appreciation for the very beautiful manner in which Bay City has entertained our Convention. Everything has been done for our pleasure and entertainment, and nothing left undone. We give thanks, not only to the local union, but to the county and City officials, for the unusual courtesy extended by the business men in closing their places of business and giving of their time and automobiles to us for one whole afternoon, for the trip to the Sulphur mine and to the Bay. To the management of the mines for souvenirs, for the fish fry; to the churches for the feasts provided at the noon hours; for the hospitality of the homes, to the Pastor of the hostess church and other pastors of the city. For the delightful music furnished; to the press, especially the Tribune; To the faithful reporters, Mrs. G. A. Moore and Mrs. T. V. Herndon. To the general chairman, Mrs. I. N. Barber, and to all who have in any way contributed to the success of our Convention.

Committee.

MRS. E. L. McHUGH, Chairman,
MRS. J. B. AMMERMAN,
MRS. C. R. PORTER,
MRS. JOSEPHINE COLLINS,
MRS. F. W. HOECKER.

Portable Roller Rink Erected.

A portable roller skating rink has been erected on the vacant lot just west of the Underwood Undertaking Parlors on East Pease street and part of the proceeds for the first ten days will be turned over to the local post of the American Legion. The floor is of hard maple and is 110 by 60 feet in dimensions. A canvas tent has been erected over the rink.

Jack Barnes of Amarillo visited in Vernon over the week-end. Mr. Barnes was formerly employed in the Vernon Drug Store.

T. J. Youngblood, returned Sunday from a visit to Mineral Wells.

Louis J. Byrd was in Vernon Thursday. He went from here to Wichita Falls. Louis is in the employ of R. M. Waggoner, superintending some construction work at Mangum, Okla. He had to be pulled out of the mud four times in his trip from Mangum.

SUBMARINES AND TORPEDOES TO WAGE WAR IN VERNON

Loose the dogs of war, ye shades of Admiral Von Tirpitz! Vernon is to be made the scene of a spirited warfare between submarines and torpedoes, and already there are subdued murmurings of enmity from the two seats of conflict which will contest one another.

A defi to the world of baseballdom issued last week from the lair of the Baptist submarines, a challenge fairly reeking with confidence, arrogance, and nonchalance. It embraced any worthy contender in Sunday school circles in the city, and carried with it the subtle insinuation that there were none worthy to whom to throw down the gauntlet.

Accepted Challenge.

And then—the Methodist torpedoes sat up, put in a new primer, and took notice. They regarded the issued defiance with the amount of petulance which only a self respecting torpedo is capable of exerting, felt of their percussion cap, and immediately notified the Baptist under water experts that there will be some debris flying in the near future.

Accepted Challenge.

And then—the Methodist torpedoes sat up, put in a new primer, and took notice. They regarded the issued defiance with the amount of petulance which only a self respecting torpedo is capable of exerting, felt of their percussion cap, and immediately notified the Baptist under water experts that there will be some debris flying in the near future.

W. D. WILHOIT DIES MONDAY AT ABILENE

REPRESENTATIVE OF SHOE COMPANY WAS WELL-KNOWN LOCALLY.

W. D. Wilhoit, well known locally as a representative of the Brown Shoe Company and for his interests in the local oil field, died Monday morning at Abilene. The news was reached here by J. A. Dixon, a close friend of Mr. Wilhoit's.

The dead man had many friends in Vernon and had been making this territory for about twenty years. He had been in bad health most of that time. Mr. Wilhoit was about 40 years old.

Had Office Here.

During the oil boom in Vernon Mr. Wilhoit maintained an office in the Bailey hotel for nearly six months and was head of what was known as the Wilhoit Syndicate, an association of local men interested in the Sigler field. Mr. Wilhoit made his home in Fort Worth, where his wife survives him. He had several brothers.

The Story of Our States

By JONATHAN BRACE
III.—NEW JERSEY

NEW JERSEY became the third state just six days after Pennsylvania had formally adopted the Constitution. This territory, which covers 8,224 square miles, originally was a part of the province of New Netherland. In 1664, after the English conquest of New Netherland, the duke of York sold the southern portion to Lord Berkeley and Sir George Carteret. The latter had won some distinction as governor of the little island of Jersey in the English channel, and it was in his honor that the new province came to be called New Jersey. The eastern portion, that about Newark, was settled by Carteret and the territory to the southwest, where Burlington and Trenton now stand, fell to Berkeley. After a few years Berkeley sold his share to a party of Quakers and two distinct provinces were formed, called East and West Jersey. They were reunited, however, in 1702, and became a single province under the direct rule of the English crown.

New Jersey casts fourteen electoral votes for president.

PRINCESS MARY REPORTED ENGAGED TO SERBIAN RULER

Princess Mary, the only daughter of the King and Queen of England, is, according to current rumors, engaged again. This time, so the reports go, it is a "really truly engagement" to Prince Alexander, Regent of Serbia. Dame Rumor has even gone so far in this case as to say that the wedding will take place in August. The Princess has been reported engaged many times. Princess Mary was born April 25, 1897, and christened Princess Victoria Alexandra Alice Mary. She is an accomplished musician and equestrienne, very popular with the British people and considered the highest type of English beauty. Prince Alexander, who is now Regent of Serbia, was born in 1883. He became Regent of Serbia

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

(Continued from Page 1)

to Delmasso, Tarpley scoring. Washburn hit to Baird, who threw Rosen out at third. Holland was out trying to steal, Baird to Larrimore.

One run, no hits, one error.

Vernon—Baird was out, Jack Tarpley to Rosen. Small struck out. Larrimore hit to right field and stole second. He was out trying to make third. No runs, one hit, no errors.

Sixth Inning.

Forth Worth—Wolf was out, Baird to Cabe. Clayton was safe on Baird's error and stole second. Clark was out, Baird to Cabe. Hull was out, Baird to Cabe.

No runs, no hits, one error.

Vernon—Curtis was out, Jack Tarpley to Rosen. Smith flew out to Holland. Cabe was out, Clark to Rosen.

No runs, no hits, no errors.

Seventh Inning.

Forth Worth—Jack Tarpley struck out. Joe Tarpley struck out. Rosen rolled out to Cabe.

No runs, no hits, no errors.

Second Game.

Vernon's consistent playing continued for two innings of the second contest, but the locals visibly weakened in the third and fourth frames. After the fourth inning the game was visibly lost. Play by play the contest was as follows:

First Inning.

Forth Worth—Tarpley was out, Smith to Cabe. Rosen struck out. Holland struck out.

No runs, no hits, no errors.

Vernon—Small was out, Jack Tarpley to Rosen. Larrimore struck out. Curtis flew out to Joe Tarpley.

No runs, no hits, no errors.

Second Inning.

Forth Worth—Washburn was out. Larrimore to Cabe. Wolf struck out. Clayton struck out.

No runs, no hits, no errors.

Vernon—Smith was out, Jack Tarpley to Rosen. Cabe struck out. Delmasso hit to left field but was out stealing.

No runs, no hits, no errors.

Third Inning.

Clark hit to center field for two bases. Hull connected for a scratch hit which Baird could not field. Clark going to third. Jack Tarpley hit to Smith who fumbled and Clark scored. Hull was out at home trying to score. Joe Tarpley struck out. Rosen struck out.

One run, two hits, one error.

Vernon—Hiatt struck out. Parr flew out to Holland. Baird was out. Joe Tarpley to Rosen.

No runs, no hits, no errors.

Fourth Inning.

Forth Worth—Holland got a hit through second base. Washburn got an infield hit. Wolf hit to Baird who threw to third but Larrimore failed to tag Holland. Holland scored on a wild pitch. Clayton struck out. Clark bunted safely and Washburn scored when Cabe, who had run in, dropped the ball. Busted with himself, Cabe threw the ball on the ground and Wolf scored. Hull hit through first base and Clark scored. Jack Tarpley struck out. Joe Tarpley was out. Larrimore to Cabe.

Four runs, three hits, two errors.

Vernon—Small was safe on an infield hit and stole second. Small scored on an exchange of throws to catch him off second. Curtis struck out. Smith walked. Cabe rolled out to Rosen.

One run, no hits, one error.

Fifth Inning.

Forth Worth—Rosen was out. Baird to Cabe. Holland flew out to Cabe. Washburn struck out.

No runs, no hits, no errors.

Vernon—Delmasso hit to Rosen who made a nice stop and tossed to Jack Tarpley who failed to touch the bag. Delmasso was out trying to steal second. Hiatt was out, Joe Tarpley to Rosen. Farrell flew out to Holland.

No runs, one hit, no errors.

Sixth Inning.

Forth Worth—Wolf struck out. Clayton hit to right field. Clark popped a low one but Baird and Cabe could not field it. Hull struck out. Tarpley struck out.

Vernon—Baird was safe on Joe Tarpley's error. Delmasso ran for Baird. Delmasso was thrown out at second on Small's blow. Larrimore struck out. Curtis struck out.

No runs, no hits, one error.

Seventh Inning.

Forth Worth—Joe Tarpley hit to right field. Rosen was out. Baird to Cabe. Holland lined out to Smith who completed a double to Delmasso.

No runs, one hit, no errors.

Vernon—Smith was out. Holland to Rosen. Cabe hit a two bagger to right field. Delmasso hit to Joe Tarpley who completed a double to Holland to Rosen.

Box Score and Summary.

Following are the box scores and summaries of both games.

THE VERNON RECORD

Semi-Weekly—Tuesdays and Fridays

VERNON, WILBARGER COUNTY, TEXAS, TUESDAY, JUNE 7, 1921

VOLUME 13.

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

Locals Take First Game In Great Fashion With Baird Pitching Good Ball — Support Gives Way In Fourth Inning of Second Contest—Visiting Pitcher Hurls Excellent Game.

North Side High School of Fort Worth demonstrated conclusively Friday afternoon that it is at least champion of north Texas in baseball and, as far as Vernon is concerned, possesses the titular honors for the entire State. After losing the first game of a double header by the score of 3 to 1, the Tarrant county lads came back with more than a vengeance and took the second contest 5 to 1 by playing clean, heady baseball and taking advantage of every break. Baird, local pitcher, hurled magnificently in both games, but wobbly support in the fourth inning of the second game denied him the chance to send the Fort Worth lads home with a double defeat.

Vernon was defeated at Fort Worth in May, and was obliged to win both games Friday to annex championship honors. Winston's men played an excellent brand of ball in the first game, and, aided by pitching which allowed the visitors but one lone hit, took the game fairly easily. During both contests Baird struck out twenty-one men.

Visiting Pitcher Improves.

Baird, Curtis, and Small displayed the best ball for Vernon, and Jack Tarpley, Washburn, and Holland were the stars for Fort Worth. Tarpley actually improved in the second game in his pitching, and the locals garnered but four scattered hits, some of these being of the scratch variety. The nine hits annexed by the visitors in the second game were also largely pop ups that were missed and could not be counted as errors. Holland, shortstop for Fort Worth, covered his share and more of infield territory and proved a fast man on bases. Washburn possessed a deadly ped to second that nipped man after man of Vernon's team.

The locals resorted largely in both contests to a bunting game that finally proved their undoing. Exceptionally few balls were knocked to the outfield by either team. Following are the games play by play.

First Game—First Inning.

Fort Worth—Joe Tarpley was safe at first on Delmas's error. Rosen struck out. Holland flew out to Small. Washburn hit to right field. Tarpley went to third. Wolf struck out.

No runs, one hit, one error.

Vernon—Small flew out to Clark. Larimore walked. Curtis hit to Jack Tarpley who threw to second to catch Larimore. Holland dropped the ball and both men were safe. Smith sacrificed. Larimore scored when a throw to third went wild. Curtis scored on Cabe's single. Cabe was out stealing Cabe's single. Cabe was out stealing two runs, one hit, two errors.

Second Inning.

Fort Worth—Clayton struck out. Clark was safe on Delmas's error. Hull struck out. Jack Tarpley was hit by a pitched ball. Joe Tarpley walked and the bases were full. Rosen struck out.

No runs, no hit, one error.

Third Inning.

Fort Worth—Holland was out. Delmas to Cabe. Washburn was out. Smith to Cabe. Wolf struck out.

No runs, no hits, no errors.

Fourth Inning.

Fort Worth—Clayton was out. Smith to Cabe. Clark struck out. Hull struck out.

No runs, no hits, no errors.

Fifth Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley walked. Rosen walked. Holland hit to Smith who became excited and made a bad throw. (Continued on Page 8)

J. R. CALDWELL IS MADE CHAIRMAN OF FARM BUREAU

Hinds Man Placed at Head of County Organization at Meeting Saturday—Other Officers and Directors Chosen—Women Expected To Play Important Role—Advocates Talk.

J. R. Caldwell of Hinds was elected Saturday to the presidency of the Wilbarger County Farm Bureau by a meeting of delegates in the district courtroom. Mr. Caldwell won in the election over Clyde Waits of Doans. Lon Byars was chosen vice-president and W. A. Walker secretary-treasurer.

Directors in the organization were chosen from the various parts of the county as follows: District No. 1, W. M. Bowman; No. 2, W. H. Stephens; No. 3, Perry White; No. 4, E. J. Bouz. Women directors named were: District No. 1, H. A. Blevins; No. 2, Mrs. J. D. Turpin; No. 3, Mrs. George Bucy; No. 4, Mrs. J. T. Houchins.

T. M. Haney Speaks.

The meeting Saturday was opened by talk from T. M. Haney, president of the Foard county bureau. Mr. Haney strongly advocated interesting the county's women folk in the bureau project, and getting the organization to work immediately. He reminded those present that the State bureau is attempting to organize an immense pool of cotton by the first of July, and that the mouth of June is all to short for the local bureau to utilize in contributing its share.

The end sought by the bureau will demand an immense amount of energy, the Foard county president asserted. Wilbarger county, he pointed out, is regarded as one of the banner counties of the State, and the project locally should be a great success.

Dwells on Qualities.

T. F. Davis of Rayland, one of the speakers on the county team, followed Mr. Haney on the program and set before those present the qualities it is necessary for a county chairman to possess. He used Mr. Haney much of the time as an example of diligence and perseverance. He asserted that every one in the bureau is bound by the same contract, and once it has been signed there is no opportunity for backing out. He reminded his audience that if the plans fail this time there will be no chance for another for a long time as failure would utterly destroy the faith of the people.

Following the talk by Mr. Davis various members of the audience were called upon for remarks.

Women Directors Important.

Women directors are expected to play an important role in the new county organization. Part of their duties will consist of making surveys of their respective communities with the object of improving housing conditions, encouraging club work, advocating home gardens and orchards, encouraging the raising of hogs, cows, and chickens, installing school lunches, beautifying school grounds, and organizing county libraries.

Robert O. Brown is one of the proprietors of the Vernon Drug Store and came to this town two years ago the first of June. He has been in the drug business since that time. Previous to that he was associated in business with George Hardin, one of his present partners, at Wichita Falls, and before that lived two years at Cooper. His father, A. W. Brown, lives at Butler, Okla. Mr. Brown is a graduate of the Fort Worth University and the Fort Worth Medical College.

Native of Vernon.

Robert O. Brown is one of the proprietors of the Vernon Drug Store and came to this town two years ago the first of June. He has been in the drug business since that time. Previous to that he was associated in business with George Hardin, one of his present partners, at Wichita Falls, and before that lived two years at Cooper. His father, A. W. Brown, lives at Butler, Okla. Mr. Brown is a graduate of the Fort Worth University and the Fort Worth Medical College.

Out-of-Town Guests.

Out-of-town guests for the wedding were Mrs. Gaines L. Tanner and son Billy of Dallas; Miss Pearl Eakle, sister of the bride, of Dallas; Miss Florence Brown, sister of Mr. Brown, from Wichita Falls; Mrs. R. M. Gilchrist, son of Burk Burnett; and Mrs. Fannie Drummond and children of Paducah.

Mr. and Mrs. Brown will return to Vernon about June 15 and will live at the residence of Dr. J. A. Nunn on Main St.

MAY HAVE BOXING BOUTS HERE JULY 4

VERNON ATHLETIC CLUB WILL ATTEMPT TO STAGE PROGRAM ON THAT DAY.

A boxing card for Vernon on the afternoon of July 4 is the program of the local athletic club. The local organization plans to stageistic and wrestling encounters at the fair grounds and will advertise the event widely throughout this section.

Arrangements are under way to obtain as principals for the day Joe Smith of Denver and Martin Gours of Wichita Falls, light heavyweights and clever, fast boxers. These men have reputations as clean reliable fighters and can be counted upon for an excellent battle.

Preliminaries will be staged by club members and a few outsiders. They will consist of boxing and wrestling bouts.

The boxing program is being arranged in order to provide the athletic club with funds for new rooms and equipment.

Native of Vernon.

The bride was born and reared in Vernon and graduated from the local high school in 1917. Following her schooling here, she attended the Canyon normal school for two years. She has many friends here and is one of the most attractive of Vernon's young people.

Mr. and Mrs. Brown will return to Vernon about June 15 and will live at the residence of Dr. J. A. Nunn on Main St.

CHAUTAUQUA TICKETS GO ON SALE HERE FRIDAY

Chautauqua tickets will be placed on sale Friday according to an announcement made by R. D. L. Killough, committee chairman, this morning. The exact method of sale to be observed has not as yet been decided upon, but a representative of the chautauqua is expected here shortly to give directions.

Those who will engage in selling tickets will be tendered a banquet Friday evening. Mr. Killough is desirous that the public does not wait to be called upon for patronage to the chautauqua, but that persons voluntarily make purchases of tickets and thus save a great amount of time for the committee.

Harry J. Ertle has been selected by the New Jersey State Boxing Commission to referee the Dempsey-Carpenter fight in Jersey City, July 2. Ertle's experience as a referee began in 1918 when the Hurley law went into effect and since then he has refereed a large number of important fights in New Jersey. Among the bouts over which he has presided was the Carpenter-Levinsky bout, last year.

MISS HAZEL EAKLE AND R. BROWN WED

YOUNG COUPLE LEFT SUNDAY FOR FORT WORTH AND DALLAS.

Miss Hazel Eakle, daughter of Mr. and Mrs. L. C. Eakle, and Robert O. Brown were married Sunday morning at 10:30 at the home of the bride on the corner of Eagle and Marshall Sts. Rev. Gus Ramage wedded the young couple, and the ring ceremony was used. Immediate friends and relatives of Mr. and Mrs. Brown were present.

White gladiolas, sweet peas, and sunnax were used to decorate the room in which the wedding was performed, making a most attractive setting. The bride was attired in a wedding gown of gray taffeta trimmed with silver lace and accessories to match. Her trayeing suit was of blue tricotine. The newly married couple left Sunday afternoon for Fort Worth and Dallas and were given an effusive farewell at the Denver station by a large delegation of friends.

CHURCH SOCIETIES MEET

The Westminster Guild of the Presbyterian Church met yesterday at the home of Miss Roselyn Bartr. Those present discussed Bible questions and followed their regular program. The Ladies' Auxiliary of the same church met yesterday with Mrs. M. K. Byrd.

Girl to Mr. and Mrs. Floyd.

A girl was born Sunday, June 5, to Mr. and Mrs. Frank Floyd living in northeast Vernon. Mother and child are doing well.

CHAMBER WOULD HAVE TRUCK LAW HELD IN ABEYANCE

Communication To County Attorney Requests That Measure Imposing Heavy Tax On Operators of Truck Be Not Enforced Locally Until It Is Reconsidered—Must Be Observed.

A communication representing the "truck bill" which will go into effect June 12 as a vicious piece of legislation has been forwarded to John A. Storey, county attorney, by the Chamber of Commerce. The letter asks that the measure be held up locally until there have come definite assurances from the State government that it will stand. The communication from the commercial organization is as follows:

"The so-called 'truck bill' is a vicious piece of legislation. It goes into effect on June 12. Owing to the fact that this bill is clearly unjust and to the further fact that we have assurances from Governor Neff that he is going to submit it to the legislature for repeal, I ask you not to enforce this law in this county, at least, until we know what the action of the legislature will be."

Will Effect Farmers.

"When this law goes into effect on June 12, it will go into effect just at the beginning of our wheat harvest. The farmers need all the encouragement and assistance they can get. This organization does not believe that the farmers, or anybody else should be assisted in violating the law, but owing to the fact that this bill is to come up so soon for further consideration, I urge that you annouce that you will merely hold the law in abeyance until the special legislature's action on this bill has been taken."

Following is in part the copy of Mr. Storey in regard to a non-observance of the law.

"It is my opinion that the law is rather harsh in some respects and no doubt will impose hardships upon the truck operator. The law, as I interpret it, will not require the payment of any additional license or tax the day it is effective, but merely requires a new registration certificate from the tax collector, which is without expense.

It also requires the truck operator to keep a record of the mileage he covers outside the limits of an incorporated city, and this record does not have to be made to the Collector of Taxes until some three months, except for a period of 20 days from the twelfth to the first of July.

Suggests Keeping Records.

"I appreciate the fact that you have had promises of the submission of the law for repeal, but it does not appear that there will be any grave hardship imposed upon the operator in the next two months, and I would suggest that all operators keep accurate records as possible as required by the law, and before the reports are made for the first full quarter. No doubt there will be some definite action taken to repeat the law and in the event the law is not repealed, there will be records to make the reports required."

(Continued on page 2, col. 1.)

imposed upon the operator in the next two months, and I would suggest that all operators keep accurate records as possible as required by the law, and before the reports are made for the first full quarter. No doubt there will be some definite action taken to repeat the law and in the event the law is not repealed, there will be records to make the reports required."

(Continued on page 2, col. 1.)

It is my interpretation of law that it does not and will not be applicable to one ton Ford trucks. It is my suggestion that the truck owners and operators comply with the law as imposed and effective the twelfth, and such violations, if any, shall be left to the discretion and judgment of the oncoming grand jury in September."

Mr. Storey stated that in the event the law stands there must be some record possessed by the county of the mileage covered by truck owners. If it is repealed, these records can be destroyed.

To Give Play In West Vernon.

"It Pays To Advertise" will be given by the Tolbert Dramatic Club in the West Vernon School House Friday night, June 10. The play was staged in Tolbert about two weeks ago.

Guy Puckett Better.

Guy Puckett, who underwent a serious operation for appendicitis at his home yesterday, is better today. His appendix, according to attending physicians, was in a gangrenous condition. Mrs. Puckett, who is visiting at Columbus, Ohio, has been notified of her husband's condition.

PHOEBE K. WARNER TALKS ON IDEALS TO CLUB WOMEN

Well Known Writer and Worker for Women's Organizations in Texas Makes Address Before County Federation Saturday—Reception Is Held at Night—Many Attend.

She has been affectionately named the "Little Brown Wren," and such she appeared when she stepped demurely on her audience here Saturday afternoon. She was introduced, however, as Mrs. Phoebe K. Warner, director of rural work for the Texas Federation of Women's Clubs, member of the Board of Extension of the College of Industrial Arts and special writer for the Fort Worth Star Telegram editorial page, and she had come from her home in Claude to make the chief address of the occasion, which was the meeting together of all those belonging to Wilbarger County Women's Organizations.

As she began to talk about "Ideals," she seemed to represent one herself—that of the successful combination of the old fashioned mother and housewife with the modern woman of twentieth century advantages and opportunities.

"Our problem today," she said, "is one of the small town and

of unity

(Continued from page 1)

the real line of distinction the tire equipment the speaker declared, of vehicle and place of difference between 100 p. women and the town we of pneumatic the same, the same things make solid tire, bad, or discouraged, help us or iron, steel us. We are the same human beings no matter where we live; but it is how we live that makes us unlike. A plan of living that will eliminate these superficial lines will be worked out by the women because men are too busy with material things."

Ours To Begin Things.

"Where are some ideals that we can hang up in solving this problem of living?" she asked. "The County Federation is a beautiful one. Before another thirteen years I hope that every woman in the county will be linked with some others in club work of some kind. It will develop her as nothing else will and it will make her a part of a greater community than her own family circle."

"Some people actually wonder why women are so narrow minded?" Mrs. Warner spoke in a surprised tone. "I think we are wonderful compared to the secluded lives that most of us live. Many men dislike their wives to belong to clubs and other organizations because of the squabbles they get into. Now let me tell you," the little woman enunciated in stern tones, "if there is ever a squabble worse than the one our men folks had in the last state and federal election I don't want to hear of it."

"It is ours to set up ideals which our children and grand-children may attain. We should work for the coming generations and not for ourselves alone; we should not hesitate to start working toward an ideal which we know is too far ahead to be reached in this generation; for think—if our mothers had not striven for things they never attained we would not be enjoying those things now."

"To make Texas perfect we must first make the small county—until perfect. The State Federation hasn't yet touched half of the phases of woman's life; but the heart of the organization is growing faster than its head and it is even now throbbing with love for women all over the country. Often, however, we become impatient with our growth, never stopping to realize that our opportunities are much greater than were our mother's. It is ours just to try to lay the foundation for a perfect life."

Mrs. Warner received applause when she declared that she was more in favor of beginning at the source of life—youth—and preventing a generation from becoming a criminal one than she is in promoting work to reform the criminals already made.

Many Criminals Now.

"Criminal tendencies are like weeds; they blow in and take root where nothing else is growing. It requires no effort to grow a generation of criminals and it seems to me that we have made a wonderful success in growing a crop of them in this age. I believe there were never so many women criminals as we read about in the papers of today. Maybe it is because the law is off us for the first time and the crushed and pent up spirit of the woman who has been a slave to men is getting even at last."

"Women are not as big fools, though, as some men expected us to be," Mrs. Warner said a trifle boastfully. "The Creator made no mistake in making women for the home, but there is much that needs to be done outside to make that place pure and fit for her to stay and rear her children. Women have been driven out of their rightful place, the home, by the crime of men; but if we can create a sentiment for laws that will make the men of the nation support women in their homes we will be on the approach to a perfected generation."

"To have our nation peopled with individuals such as we would choose we must control the creation. We should get an ideal of a boy fifty years from now and work toward that ideal. We can't control creation by making our boys and girls marry whom we pick for them, but if society were what it should be we would not have to worry about their marriages nor the coming generations."

Needs Full Purse.

"One of the biggest missions which we have now to fulfill is providing a purse for the country woman to have a purse of her own that is not empty. There should be a cash market for butter and eggs so that the farm woman can dispose of her left overs and have money to buy the things that town women enjoy."

Mrs. Warner emphasized that fact that the egg and butter problem is a bigger one than the cotton problem, because the egg money comes back to the home in the form of music, good books, electric lights, bath rooms and other things that make life more comfortable and more enjoyable to the women and children; while cotton money usually goes to buy machinery to grow more

cotton to buy more machinery."

"Do you know," the speaker asked, "that 65,000 girls of our nation were actually lost last year? Where they went no one knows. They simply disappeared, and why? Because the dinginess and stinginess of their homes made them seek the light. They went out into the world untaught concerning its dangers and they were trapped into oblivion. It is said that ninety per cent of fallen women come from the country. They fall, in the city where they go to seek the cash job that will give them pretty clothes and evening pleasures such as their sisters of the towns and cities have."

Need New Education.

"One of the largest ideals of the present day is that of a perfected education. We will have to get an ideal education that will educate for life instead of cramming the heads of our boys and girls to full of facts and figures their very energy is snuffed by the store of useless knowledge they carry. Let us get a vision of what our children need and put those things into our schools."

Mrs. Warner paid tribute to the county demonstration agents in speaking of them as the hope of the rural woman and the link between the country and the town. Through them the girls are taught things that will make of them more capable women, even though the mothers of them refuse to attend club meetings and learn things for themselves.

"The Women's Club is the only school possible for every woman. Through such organizations we get history, art, and literature after we are old enough to appreciate it."

Praises C. I. A.

In closing Mrs. Warner spoke of the College of Industrial Arts as a school headed toward perfection. Girls are headed there, she explained, and then they are taught the things that will make them happy in giving service.

"It is ideals we need more than money, and it is ours to start to a new day. We should rear our boys and girls to carry out our dreams. They will be following for it."

Mrs. Newby Responds.

The afternoon program opened with an invocation by the Rev. Gus Ramage followed by the singing of "America." Mrs. J. E. Collins made a short welcome address to which Mrs. C. H. Newby of Quanah responded.

Reports of the various clubs concerning their accomplishments of last year and their aims for the present year were made as follows: Home Science, Mrs. Harry Colley played a piano solo and Mrs. Edgar McHugh read a poem on "That Little Small Town Spirit." Before the address Mrs. John Brown gave a violin solo, accompanied by Mrs. W. N. Stokes.

followed by an automobile ride over town and to Hill Crest Country Club. A reception was given at 8 o'clock at the home of Mr. and Mrs. Harry Mason. The presidents of the various clubs together with their husbands and the two guests of honor, Mrs. Warner and Mrs. Newby, stood in line. A musical program was given and a short talk was made by Mrs. Warner.

condition was the stumbling block to his happiness until a golf ball hit him and brought on a bad case of love. Now hotfoot after a flirt and a fortune, he wonders how he could ever have found war exciting.

Thompson Community

Thompson, June 6.—(By special correspondence.)—The recent rains that have fallen were very much appreciated by the farmers of this community. They will be very beneficial to the crops.

The farmers of this community have begun harvesting their grain crops.

Mrs. J. T. Latimer and two sons, Floyd and Virgil, of near Chillicothe, have been visiting her brother, John Cheatham and family.

Floyd Latimer and his two cousins, Misses Alverda and Leona Cheatham visited Misses Mary Lou and Leatha Dennis Wednesday night.

Roland, and Misses Ruby, Jewel, Clara Mae, and Mary Sellers of White City spent Sunday night with their uncle, T. M. Dennis, and family.

Maurice Dennis has been suffering with his eye after getting sand in it. He is improving rapidly.

O. P. Critts made a business trip to Rayland Saturday.

The club girls of this community met Miss Edith Lahey at the home of Mrs. A. F. Gaston and took lessons on preparing salads. They will meet with Misses Alverda and Leona Cheatham next Friday.

At the Opera House.

Today—Enid Bennett in "Silk Hosiery."

She is displayed by her charms in a temple of fashion and "modeled" for gorgeous things she never could hope to have for her own. Then one day the impossible happened. Something came straight from the blue of her wildest dreams right into her life. The rest is a tingling thrill of romantic adventure.

Wednesday—Annette Kellerman in "What Women Love."

She boxes like Dempsey, swims like a fish, dances like a fairy, runs like a deer, and she just can't make her eyes behave. He is his mother's own darling; he can't dress without his valentines; he dotes on his Peckinose and he smokes scented cigarettes. Together they are a queer pair, especially after Sweet William decides to acquire muscle.

Thursday—Douglas MacLean in "The Rookie's Return," to be given under the auspices of the American Legion.

Jimmie came back from war to peddle books and found himself an heir to millions, that is, on condition. The

Importers, exporters, travelers—ship and sail under the Stars and Stripes

THERE are today few ports in the world of importance to shippers or travelers, which cannot be reached by ships that sail under the Stars and Stripes.

President Harding has said that, "We cannot sell successfully where we do not carry." The American Merchant Marine that once almost vanished is again an established and important carrier of the world's commerce.

You can ship or sail anywhere in American ships designed for utmost comfort and safety.

By JONATHAN BRACE
XXVIII.—TEXAS

THE ill-fated expedition of Navarez was responsible for the first interest in Texas. This large ex-

pedition was wrecked at the mouth of the Mississippi in 1528. Four members including Cabeza de Vaca were captured by the Indians and spent eight years wandering through the country eventually reaching the Gulf of California. It was their accounts of rich Indian villages which led the Mexican governor to send Coronado to explore this country. He returned after a two-years' trip without discovering the reputed riches which he was seeking.

To counteract the aggressions of the French settlements in Louisiana, the Spanish established many missions throughout Texas, the most important being at San Antonio. When the United States negotiated the Louisiana Purchase from France they considered that Texas was a part of this territory. Over this question war was nearly precipitated but finally the United States withdrew their claims in exchange for Spain's withdrawal of claims to the Oregon region.

Many Americans began to settle in Texas, among them General Sam Houston and Stephen F. Austin. Mexico became alarmed at this rapid increase of American pioneers which threatened to crowd out the Mexican population. Oppressive measures were adopted and caused the Americans to rise in rebellion in 1836. During this uprising occurred the gallant defense of the Alamo by a handful of Americans and their slaughter by the vastly superior numbers of the Mexicans. "Remember the Alamo," became the Texans' slogan. General Houston decisively defeated the Mexican forces at the battle of San Jacinto and the Republic of Texas was launched with Houston as president. The flag contained one star, and from this has come the name the Lone Star State. After considerable opposition from the North, Texas was annexed to the Union and became the twenty-eighth state.

SCHOOL TEACHERS LEAVE FOR SUMMER

NUMBERS HAVE RETURNED TO
HOMES IN VARIOUS PARTS
OF THE STATE.

Numbers of teachers in Vernon schools during the past year have left the city for their respective homes or places where they will summer. The majority of the instructors, however, live in Vernon.

Superintendent of Schools B. F. Sisk left Monday morning for Canyon where he will conduct the summer school. In the fall he will go to Leland Stanford University in California where he will be an instructor in English. Mr. Sisk is the author of several text books.

Mr. and Mrs. D. M. Hooper have gone to Boulder, Colo., for the summer. Mr. Hooper was a teacher in the Parker school.

Of the high school teachers, Miss Mary Lynn Walker has gone to her home in Fort Worth; Miss Ethel Hatchet has returned to Abilene; Miss Mabel Rockett has gone to Waxahachie; Miss Pearl Russell has returned to Houston for the summer; and Miss Jessie Hickman has gone to her home in Marietta, Okla.

H. O. Smith, principal of the Shive school is at Canyon. Mr. and Mrs. W. C. Smith have gone home to Abilene. Mr. Smith was principal of the local high school. Miss Myrtle McKinney of the Central school has gone to Waco. Miss Florence Womack of the Central school has returned to her home in Colorado, Texas.

DELEGATES MAKE REPORTS ON DISTRICT CONFERENCE

An all-day meeting of the Methodist Missionary Society was held in the church yesterday at which time were in reports of the Northwest Texas conference held in Quanah last week. Session convened at 11 o'clock. Mrs. Etta Long in charge. After singing of a song a scripture lesson on Psalms was read and discussed. Mrs. Long who later reported on the conference. Lunch was served and social hours were enjoyed from 12 until 4 o'clock. The next hour was spent in study conducted by the Rev. S. W. Hayne, the lecture being on the return of Paul from the Council in Jerusalem on his first missionary journey. From 3 to 4 o'clock a business session was held and further reports on the conference were made by Mrs. S. W. Hayne, Mrs. L. E. McCurdy and Mrs. Etta Long. The next meeting will be held on the second Monday in July.

It was announced that Miss Alice McLarty had been awarded the scholarship from this conference to the Scarritt Bible and Training School in Kansas City, she having volunteered for the Foreign Field. She will take up her studies in the fall.

Conference officers elected at the district meeting are as follows: President, Mrs. G. N. Rollins of Abilene; vice president, Mrs. W. B. McGowan of Throckmorton; recording secretary, Miss Jessie Greene, Floydada; treasurer, Mrs. R. C. Montgomery, Haskell; superintendent of young people's work, Mrs. T. C. DeLaney, Memphis; superintendent of children's work, Mrs. L. D. Smallwood, Memphis; superintendent of publicity, Mrs. A. L. Moore, Memphis; superintendent of supplies, Mrs. J. M. Crawford, Childress; superintendent of social service, Mrs. J. G. Merritt, Colorado City.

Card of Thanks.
We wish to express our heartfelt gratitude to all, for their untiring help and loving sympathy in the sad loss of our dear husband and father.

MRS. R. V. MURRAY and daughter Marguerite, 1tp

Real Estate Transfers.
O. A. Swinburn and wife, Mabel Swinburn, to Mrs. A. C. Swinburn, lot 12 of Stinson addition for one dollar.

E. B. Owen and wife, Cora E. Owen, to Jay O. Russell, the east half of lots 9, 10, 11 and 12 of block 4, South addition for \$600.

Miss Geraldine Parker, daughter of Mrs. B. J. Parker and Miss Woody Dixon, daughter of Mr. and Mrs. J. A. Dixon, returned Sunday from a year's attendance at Ward-Belmont College in Nashville, Tenn. Miss Parker received her diploma from that institution this year.

Mrs. E. T. Richie spent a few days this week with her daughter, Mrs. J. Allman Pitts, enroute to her home in Lockhart, from Oklahoma City, where she underwent an operation. She will be accompanied by her daughter Jo Katherine, who has been here for the past three weeks.

Mr. and Mrs. J. Thomas Dobey motored up from Dallas last Sunday to visit the latter's mother, Mrs. T. W. Dunklin. Mr. Dobey returned Sunday but Mrs. Dobey will remain for several weeks.

WILL APPEAR AT VERNON CHAUTAUQUA THIS MONTH.

WANTS VACANT LOTS CLEARED OF WEEDS

CITY MARSHAL ISSUES PLEA TO CIVIC PRIDE OF VERNON RESIDENTS.

A plea to the civic pride of Vernon in regard to the cutting of weeds on vacant lots and tidying up premises, has been issued by Marshal R. H. Bratton. Many lots are badly overgrown with weeds that are not merely unsightly, but are a harboring and breeding place as well for mosquitoes and disease, he says.

Especially on Main street, according to the marshal, is this condition noticeable. Parkings and vacant lots in this vicinity are for the most part badly in need of attention. It will be better for the property owners to cut the weeds voluntarily, it is pointed out, than to wait for a notification.

Leave Takes No Part.

The Civic League will take no hand in the matter of inducing the cutting of weeds this year, officers stated yesterday. Two years ago this organization participated in a drive of this nature, but the expense proved prohibitive and no plans were made for this year.

Joe Summer, Guy Pettiford and Miss Frances Hicks motored to Crowell Sunday.

Hinds Demonstration Club to Meet.

The home demonstration club composed of Hinds young ladies will meet with Miss Irene Muller Tuesday afternoon, June 14, at 2 o'clock.

Fresh potato chips at the Ice Cream Factory every Tuesday and Friday, 1c.

G. T. Allman and Carl Pitts of Wichita Falls visited with home folks Saturday and Sunday.

H. K. Huie, special agent for the Republic Fire Insurance Company, is in Vernon today.

Miss Elsie O'Neal went to Wichita Falls Sunday to spend a week with her sister, Mrs. Howard Heath.

Miss Amy Carrol Rutledge and Aileen Hollard returned Sunday from Denton where they have been attending the Northwest Texas State Normal School.

Mr. and Mrs. Robert Boyle, Miss Janie Boyle and Mrs. Eunice Wilson and children left Monday morning for Mineral Wells where they will stay for two weeks.

Mrs. Grady Stapp of Birmingham, Ala., is visiting her mother, Mrs. C. L. Hall, and sister, Mrs. W. O. Powell, in Vernon. She will be here about six weeks.

Miss Ruth Hagan of Elystan Fields is visiting her brother, W. C. Hagan. Miss Hagan has been in school at Canyon.

Fresh potato chips at the Ice Cream Factory every Tuesday and Friday, 1c.

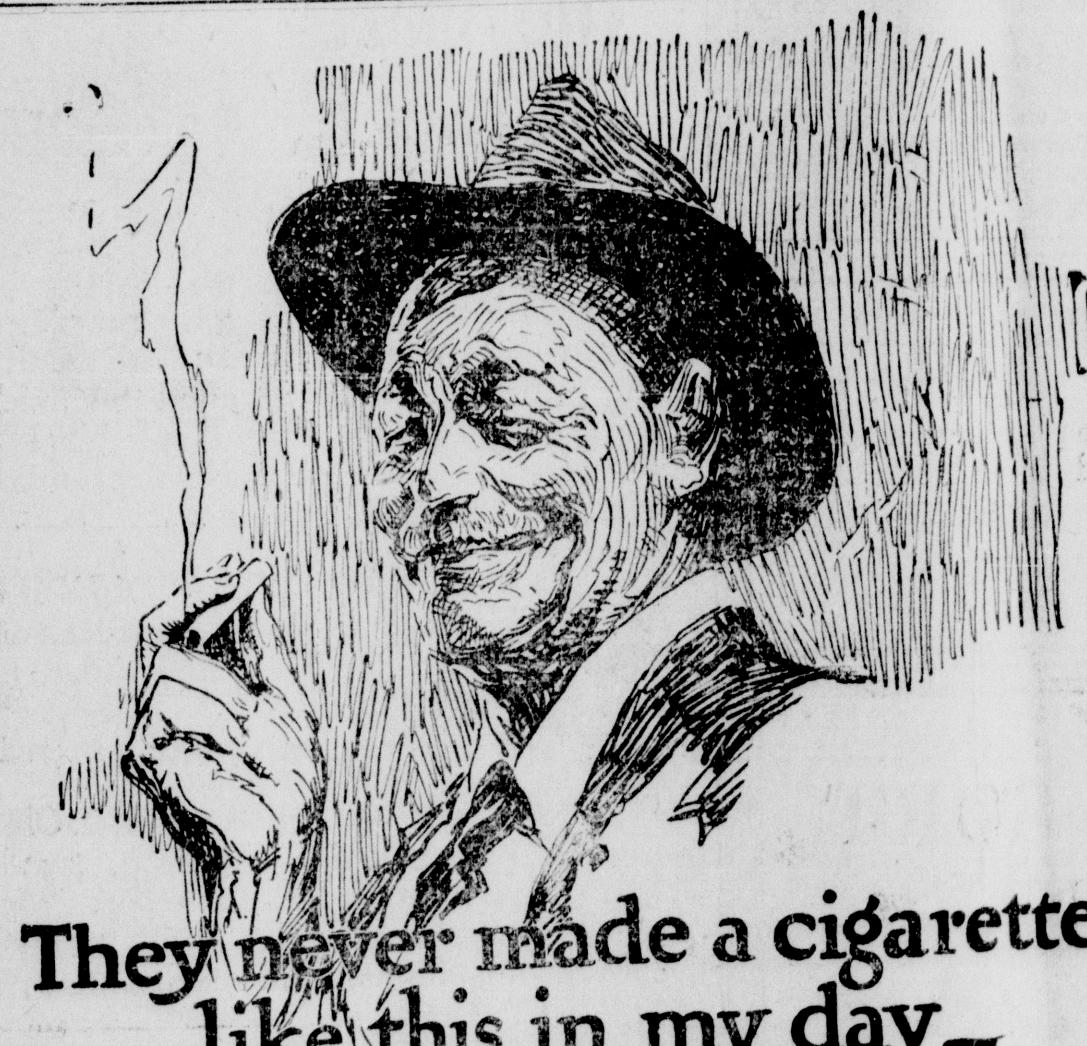

Miss Lucile McDonald daughter of Mr. and Mrs. B. H. McDonald returned last Tuesday from Hamlin where she has been attending C. N. C. for the last year.

Dick Staley and C. D. Greene of Duncan, Okla., are in Vernon today.

A new size package!

MORE RED TAPE.

Not the least of objections to the motor truck law effective Sunday is the bookkeeping required. It seems difficult for many of our lawmakers to conceive that the average man does not have a bookkeeper to record the number of miles he drives, the speed at which his car travels, and if he goes in more than one county, how far in each.

There are other required records, which would befuddle the mind of the average citizen, leaving him uncertain whether or not he is a law-breaker.

The new law requires that application be filed for the registration of each motor vehicle used by him. There is a fee for this. Then there is a charge based on carrying capacity, on tire equipment, on weight.

Not only is the keeping of these records burdensome, the various fees to be paid seem unjust. Our farmers are finding that the motor truck solved many of their hauling problems, leaving more time for productive effort, for home improvement, or community endeavor. We are in danger, it seems, of making our laws so complex that we will pull down our civilization about our own heads.

Undoubtedly motor trucks are a heavy drain upon our highways. It is not unreasonable that they should pay somewhat for the damage they do. On the other hand, the owner of a motor truck must not be discriminated against.

It is understood that Governor Neff will submit to the special session of the legislature the question of repealing this bill. Surely the friends of the motor truck will look after their interests when this opportunity is given.

THE CLOCK PUNCHING HABIT.

One provision of the agreement put into effect while the Government had control of the railroads seems to have been that of allowing employees one extra hour each week for punching the clock. This extra hour was paid for regardless of the number of hours worked. It is said to cost the railroads \$6,445,658 in six months.

One of the causes of our present depression is the "clock-punching" habit that fastened itself upon us during those halcyon days of 1919 and 1920. The idea of too many men in high position, and low, was—not how much work for a day's pay, but how little.

We are gradually coming to realize that the "clock-punching" habit must go; that men must lay themselves out; that honest effort will place a man ahead if it is coupled with constructive thinking, loyalty and a happy disposition. Without any of these a man is handicapped.

One thing it is vital for young Americans to understand again is that neither George Washington, Benjamin Franklin, Thomas Jefferson, nor others who have stamped their names on the history of the immortal knew anything about "clock punching." James J. Hill didn't know what it was. Nor can any man who expects to get ahead of the common average afford to acquire the "clock punching" habit.

We used to "get ready" on our own

time and asked pay for our productive effort. We will doubtless get back to that habit again—although we had almost come to where all of our time was put in changing clothes, adjusting machinery, sharpening saws, and appallingly little given to getting anything done.

BAD HOMES THE CAUSE.

Judge Ben B. Lindsey, the "Kid Judge" of Denver, attributes most of the evils we face to bad homes. By the term "bad homes" he does not mean homes that are positively evil, but that fail in the development of character—homes where the parents offer no companionship and little inspiration to their children.

"We must have a parenthood in this country," Judge Lindsey declares, "that first learns what evil is and knows how best to fight it. A parenthood that shall come to know that the child's greatest safeguard against evil is not so much by censorship by a policeman with a club on every corner to direct what one sees, hears, or does, but by the simpler expedient, through companionship, spiritual training, education, ideals and confidences that will educate the child as to what evil is."

How many parents in Vernon really take time to consider the evils which their children must face, to understand the child's attitude toward life's problems? How many study their children enough and have fellowship with them sufficiently to inspire the boys and girls to confidence in their elders—that confidence that gains entrance into the child mind when grave problems arise, and shares in the struggle?

Judge Lindsey adds that there must also be some sportsmanship in our fight against evil—some sense of fair play. There are too many "squealers" he thinks, who try to put the blame on the other fellow when they go wrong.

We are engrossed too much in making money, rather than men; too much in the grip of greed, of materialism, of the idea of having a good time. Is there any question but that we must sacrifice somewhat of these in order to rid our day of many of its evils, and to raise up sons and daughters worthy of America?

TWO PREVENTABLE PESTS.

Weeds growing along our streets and on vacant lots will spring up as if by magic, following the abundant rains. The moisture will also turn various unsanitary spots into a paradise for flies. Because both flies and weeds are a menace to health, indisputable evidence of filthiness, and an eyesore to the beholder, it behoves us to wage unremitting warfare against both.

Two hours a week would keep down the weeds on any of the vacant lots, or along the highways. Is it asking too much to insist that the owner give this much time, if necessary to a task of such large importance to the community?

A simple trap constructed of screen wire, or bought for 50c, if fifty of them were placed by restaurant owners, grocers, confectioners, and in the back yards of home owners would so successfully cope with the fly, as to render the pest negligible. Then, if lime were used liberally around the breeding places of flies, they would practically disappear.

Why not make Vernon a weedless town and a flyless town?

CHRISTIAN ENDEAVOR CONVENTION AT WACO THIS WEEK

The thirty-second annual convention of the Texas Christian Endeavor will be held at Waco June 8 to 12, and between 1,000 and 1,500 delegates from all parts of the State are expected. Speakers of prominence will include Dr. J. H. Burma of Waxahachie, Dr. William States Jacobs of Houston, Dr. Colby D. Hall of Fort Worth, and W. R. Breg of Dallas. Mr. and Mrs. A. R. Wilgus of San Antonio and Robert Jolly of Houston will direct the singing. Miss Ester McRuer, whistling soloist of Oklahoma City, has been secured for the convention.

The Christian Endeavor has grown in Texas from a small band of young people to about 18,000 in number and about 600 societies. It is said this will be the largest gathering of young people in any state in the Union.

Miss Jamie Lester left Saturday night for Arkansas to visit relatives and friends. She was accompanied by her sister, Mrs. Robert Wilson of Clarendon.

We used to "get ready" on our own

EXPRESS FAITH IN TRIANGLE HOLE

STOCKHOLDERS VOTE TO CARRY TEST DOWN AS FAR AS POSSIBLE.

Stockholders in the Triangle Oil Company yesterday expressed their faith in the test which has been put down south of town, and voted unanimously to finish the project as nearly as possible. The meeting was held in the basement of the library building, and much interest and enthusiasm was manifested by those present.

The liner will be pulled from the hole and drilling will proceed immediately, J. E. Watts said after the meeting. The bit will be sent down as far as possible, and every effort will be made to reach a paying strata. It is thought by drillers that neither sand struck thus far is of real paying quantity.

Hole In Good Shape.

The hole is in excellent shape, Mr. Watts said, and is ready now to be drilled deeper. M. L. Daily, the man who drilled in Sigler number 1, was present at the meeting and lent added enthusiasm through expression of the belief that there is a depth still that carries oil.

Thus far \$49,600 worth of stock has been issued by the Triangle although it is capitalized for considerably more than this amount. Therefore it is planned to issue the same amount of stock again and sell it only to stockholders in the concern. This will be done at a very attractive figure.

SHOULD KEEP ON TRYING OIL POET SAYS IN VERSE

The following clipping is especially significant for the terse message it carries to local oil operators. It is printed with this consideration:

Sure Thing.

The proven fields now spouting oil. Were wildcat once, just common soil. Until a man displayed the nerve, And from his purpose would not swerve.

For all the knockers in the land— Until his drill had found the sand That put the works upon the square And made the man a Millionaire.

Then all the knockers, great and small, Their rotten luck began to bawl, And every measty tightwad hog Saw in the man a lucky dog. They couldn't see it wasn't luck; But common sense and bulldog pluck, And building castles in the air That made the man a Millionaire.

For you the same chance stands today To make the liquid gold sands pay. If you've the nerve to take a flyer, To boost your bank accounts up higher. We'll try to make your pockets fill If you but help us push the drill. "Faint hearts never won a maiden fair" Nor cold feet made a Millionaire.

NO STATE LAW AGAINST GLARING HEADLIGHTS

There is no State law regulating the burning of blinding head lights on automobiles, according to a communication received by the Vernon Chamber of Commerce from the State highway engineer. Such a measure was enacted but was later repealed. An investigation was made by the local commercial body in response to an appeal from a Vernon hotel to attempt to obtain the enforcement of a law that would be of distinct service to traveling men, many of whom cover their territories in cars.

It is pointed out that traffic at night on the newly paved road east of town will be distinctly dangerous in the event that speeding cars are also equipped with high power lights. According to the Chamber, an appeal will have to be made to motorists to use dimmers when approaching other cars.

Will Plan Worm Eradication.

Dallas, May 27.—Plans for the eradication of the pink boll worm in Texas will be definitely laid at a conference to be held in Austin today. Two meetings will be held during the day, one with the Commissioner of Agriculture, George B. Terrell, and another later in the day with Governor Neff. The Texas chamber of commerce requested statewide organizations to send delegates to the conference, and the Texas Agricultural and Mechanical College will be represented.

Slight Cut in Government Rolls.

Congress, despite all efforts at economy, is unable to reduce the executive establishments to anything approximating their pre-war size. Before the war there were 27,000 Federal employees in the District of Columbia. When the armistice was signed the number exceeded 100,000. At the present it is 84,911. When the new year begins, between 4,000 and 5,000 will go because their salaries have been cut off.

Miss Lora Tacker of Crowell is visiting in Vernon.

Money to loan on improved farms \$7-100.

RED CROSS NURSE FINDS MARRIAGE A FAILURE.

Mrs. Wallace Schultz, formerly the Princess Troubetzkoy of Russia, is reputed to be the most beautiful Red Cross nurse in France, has found, it is said, that her marriage was all a mistake and a failure. She is now living in San Francisco under an assumed name to establish a residence there in order to bring suit for divorce from her husband, a popular Milwaukee clubman.

Wedded bliss with her husband was all a mistake, she says, for after a few weeks of married life Captain Schultz accused her of having a husband and brought suit for divorce. The former Princess claims that Captain Schultz, when he married her, knew that her first husband, Captain T. Turpin, had been killed in action in France.

Oregon Farmers Pool Wheat.

Signed agreements for pooling approximately 1,000,000 bushels of wheat have been obtained by a co-operative grain growers' association formed in Oregon for the purpose of fostering and encouraging the business of marketing wheat, for reducing speculation, for stabilizing markets, and for co-operative handling of the problems of the grain grower, according to a report to the United States Department of Agriculture.

Savings Deposits Grow.

America's national savings bank deposits now stand at approximately \$6,500,000,000, according to an estimate of the Comptroller of the Currency. Exact reports on the entry will be collected by the Comptroller next month. Before the war, savings accounts in the nation's 30,000 banks totalled only \$3,000,000,000 or less than one-half that at present.

Lumber Is Today the Lowest Priced Building Material in America

Good barns, outbuildings and fences are indispensable equipment for profitable farming.

Farm buildings, built of LONG-BELL Trade-Marked lumber, and fences built with LONG-BELL Creosoted Posts, are the pride of their owners.

Farmers appreciate quality in lumber, they buy the best because they know it is true economy to do so. LONG-BELL lumber, combined with LONG-BELL Plan Service, produce handsome permanent buildings that increase the value of farms more than the cost of the buildings.

Select your farm buildings from our Plan Books—fence with LONG-BELL Creosoted Posts.

W. C. T. U. ADOPTS NEW RESOLUTIONS

MRS. E. L. McHUGH, DELEGATE TO
CONVENTION, REPORTS ON
THEM HERE.

Mrs. E. L. McHugh, local delegate to the W. C. T. U. convention held in Bay City, May 6, was hostess to the local chapter Thursday afternoon at which time she gave to the members a detailed report of the meeting which she attended. Others who took part on the afternoon's program were Miss Ola Ferguson who sang "Blue Bird," and Miss Mary McHugh who gave some piano selections. Angel cake and iced cream were served.

Mrs. McHugh gave to each of the members present a little souvenir of her trip to the convention in the form of a card bearing a verse of scripture and a little piece of sulphur which she obtained from a mine she visited in Bay City. Following are the resolutions which were adopted by the convention assembled and which Mrs. McHugh presented to the local organization:

Preamble.

We thank God that the principles for which we have stood all these years are being worked out in the laws of the land and in the lives of men. We pledge ourselves to renewed service until through the blessings of our Lord we see a world freed from the domination of the liquor traffic and made safe for future generations. We thank God for the privilege of the ballot and pledge ourselves to work for the enforcement of the prohibition laws, and all the other principles for which we stand.

Declaration of Principles.

We reaffirm our belief that total abstinence for the individual and prohibition for both State and Nation constitute the only national solution of the liquor problem.

We believe in equal political rights for men and women and that the ballot in the hands of the women is a weapon for the destruction of the liquor traffic.

We believe that society, in conformance with God's law should maintain a single standard of purity for men and women.

We reiterate our belief in the establishment of courts of National and international arbitration which shall banish war from the world. We believe in a living wage, and equal pay for equal service; in justice, as opposed to commercial greed.

We therefore, declare our purpose to work during the coming year with increased zeal and deeper devotion for the promotion of the foregoing principles, and the accomplishment of our ultimate aim—prohibition for the world.

Resolutions.

Whereas, it is said on reliable authority that among civilized nations our country ranks second only to Japan in the number of divorces granted annually, and

Whereas, divorce is only a symptom of evils that are deep seated and increasing at an alarming rate in our southland; therefore, be it resolved, that we favor legislation that will safeguard the marriage relation by requiring:

(a) Certificate of health from both contracting parties before a marriage license is issued.

(b) Withholding the marriage license from idiots, feeble-minded, epileptics and persons with incurable, communicable diseases.

(c) That in crowded court centers, Courts of Domestic Relations be established to care for the interests of women and children.

Resolved, that we continue to demand that the "age of consent" be amended so as to protect the girlhood of Texas until the age of 18 years is reached.

And, whereas, the conservation of child life is a National necessity, and whereas, the use of narcotics and stimulants is weakening the young, therefore, be it resolved that we protect against the widespread sale of cigarettes to our boys and girls, and especially do we most vigorously protest against smoking in public eating places.

Want Industrial Care.

We deplore the fact that our legislators have seen fit to place the Sanitary Live Stock Commission, caring for calves and pigs, upon a higher plane than our hard won department of Women in Industry, therefore, be it

Resolved, that we insist that our legislature establish by law an adequate Commission to care for the interests of Women and Miners in the Industrial field.

Resolved, that as citizens of Texas we feel it but justice to ask that women be placed upon Boards of Directors of all State and County Fairs, and every public institution wherein women are concerned.

Resolved, that we as an organization that stands for Sabbath observance, go on record as being opposed to the sentiment abroad in Texas tending toward running moving picture shows on Sunday, in violation of the law.

Knowing it as a fact that some moving picture shows are largely the cause of the moral decline, and that

they are schools for crime and vice, as is evidenced by the fact that Chicago Chief of Police has had to forbid films in which are exhibited scenes of crime, because of the shocking increase of juvenile crimes, attributed directly to the picture shows, and that there is no doubt whatever that one of the causes of the awful crime wave which is cursing our country from one end to the other, as never before in its history is traceable to the moving picture, and as senseless and demoralizing as some of these pictures are, parents continue to take their children to them, and that if we stop the diligent, successful and wholesome teaching of our children the arts of thieving, licentiousness and murder; we will have to rise up and demand of our government officials that they make laws forbidding the exhibiting of such pictures, therefore, be it

Resolved, that we make war on all indecent films; whereas, there is a serious lowering of moral standards all over the world and this moral decline is threatening the sanctity and safety of our homes, due in part to the scant and immodest clothing of our women and girls, as seems the fashion now, we recommend a sane and healthful conformity to the fashion of the day.

Ask Bibles In Schools.

Whereas, we realize the education of our children must be four fold, mental, moral, physical and spiritual, and whereas, we deplore the fact that our time honored custom of reading the Bible in our public schools is decreasing, therefore, be it

Resolved, that we ask our principals and teachers throughout the State to open school each day with the reading of the Bible.

Whereas, our time are so stressing in the financial affairs of the day, therefore, be it

Resolved, that we, as individual women and as an organization by practise and by precept, spread everywhere the virtue of economy, crying out against luxury and that the local unions take definite and concerted action against greed and waste, showing this to be the way of a peaceful adjustment.

And, whereas, the public school system of the State is seriously hampered by reason of the present system of taxation.

And, whereas, there are so many foreigners in our State needing Americanization, therefore, be it

Resolved that we request an adequate appropriation be made by the Legislature for this work.

And, whereas, there are many abuses in our present prison system we favor the enactment of better laws, and working toward a better and more humane system for our State, to the end that the inmates of the institutions may be reclaimed for better lives, and that women inmates be given some profitable industrial employment.

Thanks To Bay City.

We wish to express our great appreciation for the very beautiful manner in which Bay City has entertained our Convention. Everything has been done for our pleasure and entertainment, and nothing left undone. We give thanks, not only to the local union, but to the county and City officials, for the unusual courtesy extended by the business men in closing their places of business and giving of their time and automobiles to us for one whole afternoon, for the trip to the Sulphur mine and to the Bay. To the management of the mines for souvenirs, for the fish fry; to the churches for the feasts provided at the noon hours; for the hospitality of the homes, to the Pastor of the hostess church and other pastors of the city. For the delightful music furnished; to the press, especially the Tribune; To the faithful reporters, Mrs. G. A. Moore and Mrs. T. V. Herndon. To the general chairman, Mrs. I. N. Barber, and to all who have in any way contributed to the success of our Convention.

Committee.

MRS. E. L. McHUGH, Chairman,
MRS. J. B. AMMERMAN,
MRS. C. R. PORTER,
MRS. JOSEPHINE COLLINS,
MRS. F. W. HOECKER.

Portable Roller Rink Erected.

A portable roller skating rink has been erected on the vacant lot just west of the Underwood Undertaking Parlors on East Pease street and part of the proceeds for the first ten days will be turned over to the local nest of the American Legion. The floor is of hard maple and is 110 by 60 feet in dimensions. A canvas tent has been erected over the rink.

Jack Barnes of Amarillo visited in Vernon over the week-end. Mr. Barnes was formerly employed in the Vernon Drug Store.

T. J. Youngblood returned Sunday from a visit to Mineral Wells.

Louis J. Byrd was in Vernon Thursday. He went from here to Wichita Falls. Louis is in the employ of R. M. Waggoner, superintending some construction work at Mangum, Oklahoma. He had to be pulled out of the mud four times in his trip from Mangum.

SUBMARINES AND TORPEDOES TO WAGE WAR IN VERNON

Loose the dogs of war, ye shades of Admiral Von Tirpitz! Vernon is to be made the scene of a spirited warfare between submarines and torpedoes, and already there are subdued murmurings of enmity from the two seats of conflict which will contest one another.

A defi to the world of baseballdom issued last week from the lair of the Baptist submarines, a challenge fairly reeking with confidence, arrogance, and nonchalance. It embraced any worthy contender in Sunday school circles in the city, and carried with it the subtle insinuation that there were none worthy to whom to throw down the gauntlet.

Accepted Challenge.

And then—the Methodist torpedoes sat up, put in a new primer, and took notice. They regarded the issued defiance with the amount of petulance which only a self respecting torpedo is capable of exerting, felt of their percussion cap, and immediately notified the Baptist under water experts that there will be some debris flying in the near future.

MISS FRICK PLANS ART LIBRARY IN NEW YORK

Miss Helen C. Frick, daughter of the late Henry C. Frick, who served in the American Red Cross in France during the war, and who is now in London, has decided to carry out her father's art work in a novel way. She recently has been studying the famous art reference library of Robert Witt here with the idea of establishing a similar library in connection with the Frick \$30,000,000 collection of old masters housed in the family mansion in New York. Miss Frick is collecting photographs and prints to found an art reference library in New York. Mr. Witt and other art experts of Europe are assisting her.

FEDERATED CLUBS TO FINANCE WEEK'S SCHOOLING

The county girl winning the Wilbarger clothing contest will be sent to the short course conducted at College Station this summer free of charge. Her expenses will be borne by the local Federated Clubs, according to an announcement from officers of that organization. The short course consists of a week's intensive training in home economics.

The winner of the county clothing contest will be decided about July 1, home demonstration agents announced today. Women of the Federated Clubs will in all probability serve as judges.

Mr. and Mrs. W. K. Long and daughter Martha returned Sunday from a visit in Cleburne.

Crescent Cove Girls Meet.

Crescent Cove home demonstration club girls met Thursday in their regular meeting. The members learned to make salads and salad dressings.

W. D. WILHOIT DIES MONDAY AT ABILENE

REPRESENTATIVE OF SHOE COMPANY WAS WELL-KNOWN LOCALLY.

W. D. Wilhoit, well known locally as a representative of the Brown Shoe Company and for his interests in the local oil field, died Monday morning at Abilene. The news was reached here by J. A. Dixon, a close friend of Mr. Wilhoit's.

The dead man had many friends in Vernon and had been making this territory for about twenty years. He had been in bad health most of that time. Mr. Wilhoit was about 40 years old.

Had Office Here

During the oil boom in Vernon Mr. Wilhoit maintained an office in the Bailey hotel for nearly six months and was head of what was known as the Wilhoit Syndicate, an association of local men interested in the Sigler field. Mr. Wilhoit made his home in Fort Worth, where his wife survives him. He had several brothers.

The Story of Our States

By JONATHAN BRACE
III.—NEW JERSEY

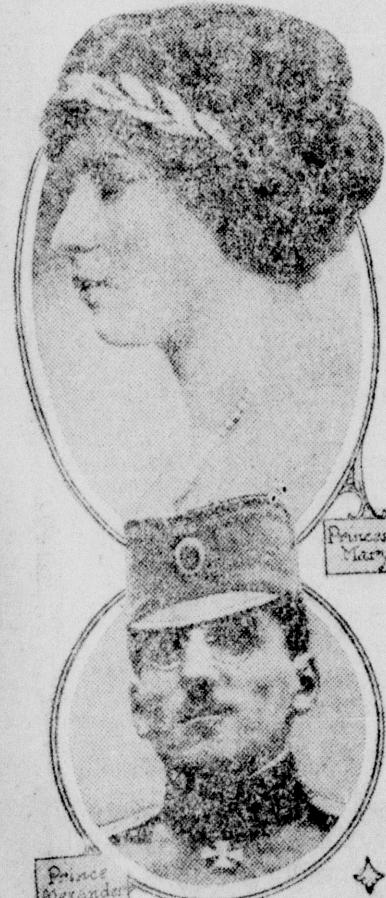

NEW JERSEY became the third state just six days after Pennsylvania had formally adopted the Constitution. This territory, which covers 8,224 square miles, originally was a part of the province of New Netherland. In 1664, after the English conquest of New Netherland, the Duke of York sold the southern portion to Lord Berkeley and Sir George Carteret. The latter had won some distinction as governor of the little island of Jersey in the English channel, and it was in his honor that the new province came to be called New Jersey. The eastern portion, that about Newark, was settled by Carteret and the territory to the southwest, where Burlington and Trenton now stand, fell to Berkeley. After a few years Berkeley sold his share to a party of Quakers and two distinct provinces were formed, called East and West Jersey. They were reunited, however, in 1702, and became a single province under the direct rule of the English crown.

New Jersey casts fourteen electoral votes for president. (© by McClure Newspaper Syndicate.)

PRINCESS MARY REPORTED ENGAGED TO SERBIAN RULER

Princess Mary, the only daughter of the King and Queen of England, is, according to current rumors, engaged again. This time, so the reports go, it is a "really truly engagement" to Prince Alexander, Regent of Serbia. Prince Alexander, Regent of Serbia, Dame Rumor has even gone so far in this case as to say that the wedding will take place in August. The Princess has been reported engaged many times. Princess Mary was born April 25, 1897, and christened Princess Victoria Alexandra Alice Mary. She is an accomplished musician and equestrienne, very popular with the British people and considered the highest type of English beauty. Prince Alexander, who is now Regent of Serbia, was born in 1883. He became Regent of Serbia in 1919.

"Young man, what do you mean to be?"

Take time—consider. You are the designer; you must select the pattern for your future. A hasty start won't hasten success. Each time you change your mind and shift your occupation you must relearn and re-earn. Until you elect a definite course, you must accept guidance.

Every successful man's advice to-day is, "Save your Money." Heed it. Start today!

Saving makes men!
THE FARMERS STATE BANK
YERON TEXAS

Why some men seem to have all the tire luck —

YOU probably know a man whose car is a hobby with him. He knows just why it's the best little old car there is of its class.

And he'll stand up for that car against the world in any kind of an argument.

Year by year an increasing number of men feel the same way about U. S. Tires.

For a while they may try "job lot" stuff, "bargains," "big discounts" and "rebates."

But usually it doesn't take long for a man to sense the economy of the standard quality tire.

For years U. S. Tire makers have been building quality tires for sane tire users—for the car of medium or light weight no less than for the heavy car.

The tire buyers of the land have responded with a mighty U. S. Tire following.

The U. S. Tire makers meet the responsibility for supplying this nationwide following with characteristic energy.

Ninety-two U. S. Factory Branches are established, covering the entire country.

Find the U. S. Tire dealer who has the intention of serving you. You will know him by his full, completely sized line of fresh, live U. S. Tires—quality first, and the same choice of size, tread and type as in the biggest cities of the land.

"Find the U. S. Tire dealer with the full, completely sized line of fresh, live U. S. Tires."

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

(Continued from Page 1)

to Delmasco, Tarpley scoring. Washburn hit to Baird, who threw Rosen out at third. Holland was out trying to steal, Baird to Larrimore.

One run, no hits, one error.

Vernon—Baird was out, Jack Tarpley to Rosen. Small struck out. Larrimore hit to right field and stole second. He was out trying to make third.

No runs, one hit no errors.

Sixth Inning.

Forth Worth—Wolf was out, Baird to Cabe. Clayton was safe on Baird's error and stole second. Clark was out, Baird to Cabe. Hull was out, Baird to Cabe.

No runs, no hits, one error.

Vernon—Curtis was out, Jack Tarpley to Rosen. Smith flew out to Holland. Cabe was out, Clark to Rosen.

No runs, no hits, no errors.

Seventh Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley struck out. Rosen rolled out to Cabe.

No runs, no hits, no errors.

Second Game.

Vernon's consistent playing continued for two innings of the second contest, but the locals visibly weakened in the third and fourth frames. After the fourth inning the game was visibly lost. Play by play the contest was as follows:

First Inning.

Fort Worth—Tarpley was out, Smith to Cabe. Rosen struck out. Holland struck out.

No runs, no hits, no errors.

Vernon—Small was out, Jack Tarpley to Rosen. Larrimore struck out. Curtis flew out to Joe Tarpley.

No runs, no hits, no errors.

Second Inning.

Fort Worth—Washburn was out, Larrimore to Cabe. Wolf struck out. Clayton struck out.

No runs, no hits, no errors.

Vernon—Smith was out, Jack Tarpley to Rosen. Cabe struck out. Delmasco hit to left field but was out stealing.

No runs, no hits, no errors.

Third Inning.

Clark hit to center field for two bases. Hull connected for a scratch hit which Baird could not field, Clark going to third. Jack Tarpley hit to Smith who fumbled and Clark scored; Hull was out at home trying to score. Joe Tarpley struck out. Rosen struck out.

No runs, two hits, one error.

Vernon—Hiatt struck out. Parr flew out to Holland. Baird was out. Joe Tarpley to Rosen.

No runs, no hits, no errors.

Fourth Inning.

Forth Worth—Holland got a hit through second base. Washburn got an infield hit. Wolf hit to Baird who threw to third but Larrimore failed to tag Holland. Holland scored on a wild pitch. Clayton struck out. Clark bunted safely and Washburn scored when Cabe, who had run in, dropped the ball. Bristled with himself, Cabe threw the ball on the ground and Wolf scored. Hull hit through first base and Clark scored. Jack Tarpley struck out. Joe Tarpley was out. Larrimore to Cabe.

Four runs, three hits, two errors.

Vernon—Small was safe on an infield hit and stole second. Small scored on an exchange of throws to catch him off second. Curtis struck out. Smith walked. Cabe rolled out to Rosen.

One run, no hits, one error.

Fifth Inning.

Fort Worth—Rosen was out. Baird to Cabe. Holland flew out to Cabe. Washburn struck out.

No runs, no hits, no errors.

Vernon—Delmasco hit to Rosen who made a nice stop and tossed to Jack Tarpley who failed to touch the bag. Delmasco was out trying to steal second. Hiatt was out. Joe Tarpley to Rosen. Farrell flew out to Holland.

No runs, one hit, no errors.

Sixth Inning.

Fort Worth—Wolf struck out. Clayton hit to right field. Clark popped a low one but Baird and Cabe could not field it. Hull struck out. Tarpley struck out.

Vernon—Baird was safe on Joe Tarpley's error. Delmasco ran for Baird. Delmasco was thrown out at second on Small's blow. Larrimore struck out. Curtis struck out.

No runs, no hits, one error.

Seventh Inning.

Fort Worth—Joe Tarpley hit to right field. Rosen was out. Baird to Cabe. Holland lined out to Smith who completed a double to Delmasco.

No runs, one hit, no errors.

Vernon—Smith was out. Holland to Rosen. Cabe hit a two bagger to right field. Delmasco hit to Joe Tarpley who completed a double to Holland to Rosen.

No runs, no hits, no errors.

THE VERNON RECORD

Semi-Weekly—Tuesdays and Fridays

VERNON, WILBARGER COUNTY, TEXAS, TUESDAY, JUNE 7, 1921

VOLUME 13.

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

Locals Take First Game In Great Fashion With Baird Pitching Good Ball — Support Gives Way In Fourth Inning of Second Contest—Visiting Pitcher Hurls Excellent Game.

North Side High School of Fort Worth demonstrated conclusively Friday afternoon that it is at least champion of north Texas in baseball and as far as Vernon is concerned, possesses the rular honors for the entire State. After losing the first game of a double header by the score of 3 to 1, the Tarrant county lads came back with more than a vengeance and took the second contest 5 to 1 by playing clean, heady baseball and taking advantage of every break. Baird, local pitcher, hurled magnificently in both games, but wobbly support in the fourth inning of the second game denied him the chance to send the Fort Worth lads home with a double defeat.

Vernon was defeated at Fort Worth late in May, and was obliged to win both games Friday to annex championship honors. Winston's men played an excellent brand of ball in the first game, and, aided by pitching which allowed the visitors but one lone hit, took the game fairly easily. During both contests Baird struck out twenty-one men.

Visiting Pitcher Improves.

Baird, Curtis, and Small displayed the best ball for Vernon, and Jack Tarpley, Washburn, and Holland were the stars for Fort Worth. Tarpley actually improved in the second game in his pitching, and the locals garnered but four scattered hits, some of these being of the scratch variety. The nine hits annexed by the visitors in the second game were also largely pop ups that were missed and could not be counted as errors. Holland, shortstop for Fort Worth, covered his share and more of infield territory and proved a fast man on bases. Washburn possessed a deadly ped to second that nipped man after man of Vernon's team.

The locals resorted largely in both contests to a bunting game that finally proved their undoing. Exceptionally few balls were knocked to the outfield by either team. Following are the games play by play.

First Game—First Inning.

Fort Worth—Joe Tarpley was safe at first on Dalmasso's error. Rosen struck out. Holland flew out to Small. Washburn hit to right field. Tarpley going to third. Wolf struck out.

No runs, one hit, one error.

Vernon—Small flew out to Clark. Larimore walked. Curtis hit to Jack Tarpley who threw to second to catch Larimore. Holland dropped the ball and both men were safe. Smith sacrificed. Larimore scored when a throw to third went wild. Curtis scored on Cabe's single. Cabe was out stealing, two runs, one hit, two errors.

Second Inning.

Fort Worth—Clayton struck out. Clark was safe on Dalmasso's error. Hull struck out. Jack Tarpley was hit by a pitched ball. Joe Tarpley walked and the bases were full. Rosen struck out.

No runs, no hit, one error.

Vernon—Delmaso walked and took second on a passed ball. Hiatt sacrificed. Parr struck out. Dalmasso scored on a passed ball. Baird flew out.

No runs, no hits, no errors.

Third Inning.

Fort Worth—Holland was out. Delmaso to Cabe. Washburn was out. Smith to Cabe. Wolf struck out.

No runs, no hits, no errors.

Vernon—Small flew out. Larimore was safe on Wolf's error. Curtis flew out. Smith struck out.

No runs, no hits, one error.

Fourth Inning.

Fort Worth—Clayton was out. Smith to Cabe. Clark struck out. Hull struck out.

No runs, no hits, no errors.

Vernon—Cabe was out. Clark to Rosen. Delmaso flew out to Holland. Hiatt was safe on Joe Tarpley's error. Parr was out. Holland to Rosen.

No runs, no hits, one error.

Fifth Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley walked. Rosen walked. Holland hit to Smith who became excited and made a bad throw.

(Continued on page 8)

J. R. CALDWELL IS MADE CHAIRMAN OF FARM BUREAU

Hinds Man Placed at Head of County Organization at Meeting Saturday—Other Officers and Directors Chosen—Women Expected To Play Important Role—Advocates Talk.

J. R. Caldwell of Hinds was elected Saturday to the presidency of the Wilbarger County Farm Bureau by a meeting of delegates in the district courtroom. Mr. Caldwell won in the election over Clyde Watts of Dooms. Lon Byars was chosen vice-president and W. A. Walker secretary-treasurer.

Directors in the organization were chosen from the various parts of the county as follows: District No. 1, W. M. Bowman; No. 2, W. H. Stephens; No. 3, Perry White; No. 4, E. J. Boaz. Women directors named were: District No. 1, H. A. Blevins; No. 2, Mrs. J. D. Turpin; No. 3, Mrs. George Bucy; No. 4, Mrs. J. T. Houtchins.

T. M. Haney Speaks.

The meeting Saturday was opened by a talk from T. M. Haney, president of the Foard county bureau. Mr. Haney strongly advocated interesting the county's women folk in the bureau project and getting the organization to working immediately. He reminded those present that the State bureau is attempting to organize an immense pool of cotton by the first of July, and that the mouth of June is all to shoot for the local bureau to utilize in contributing its share.

The end sought by the bureau will demand an immense amount of energy, the Foard county president asserted. Wilbarger county, he pointed out, is regarded as one of the banner counties of the State, and the project locally should be a great success.

Dwells On Qualities.

T. F. Davis of Rayland, one of the speakers on the county team, followed Mr. Haney on the program and set before those present the qualities it is necessary for a county chairman to possess. He used Mr. Haney much of the time as an example of diligence and perseverance. He asserted that every one in the bureau is bound by the same contract, and once it has been signed there is no opportunity for backing out. He reminded his audience that if the plans fail this time there will be no chance for another for a long time as failure would utterly destroy the faith of the people.

Following the talk by Mr. Davis various members of the audience were called upon for remarks.

Women Directors Important.

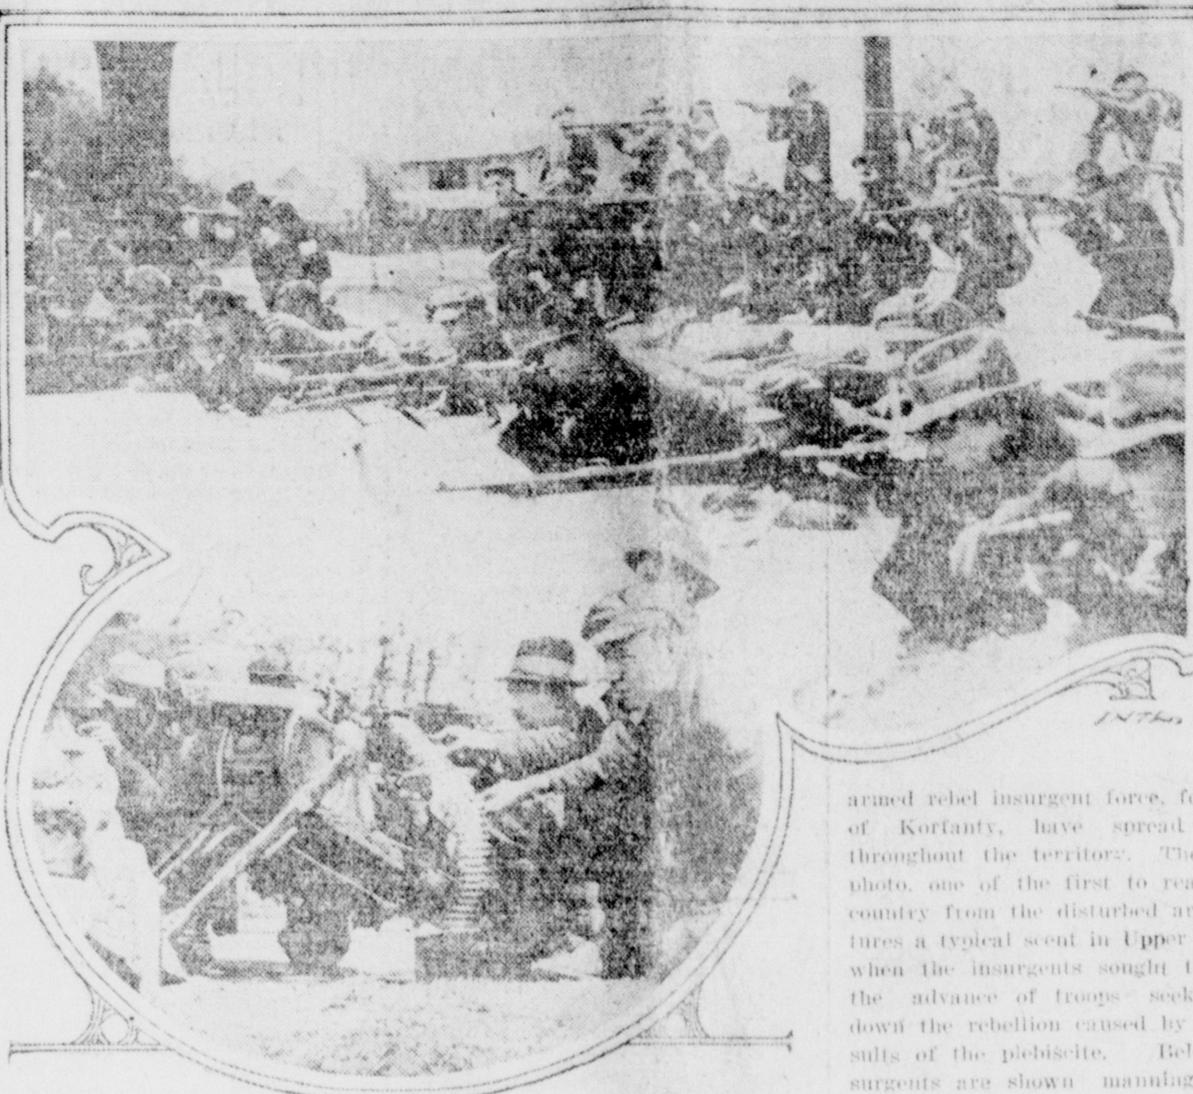

Women directors are expected to play an important role in the new county organization. Part of their

HE WILL REFEREE JULY CHAMPIONSHIP BOUT

Harry J. Ertle has been selected by the New Jersey State Boxing Commission to referee the Dempsey-Carpenter fight in Jersey City, July 2. Ertle's experience as a referee began in 1918 when the Hurley law went into effect and since then he has refereed a large number of important fights in New Jersey. Among the boxes over which he has presided was the Carpenter-Levinsky bout, last year.

FIRST PICTURES FROM WAR-TORN SILESIA

The Polish threat to occupy Upper Silesia has turned the country Silesia and subsequent action to carry again into a war-ridden region. The

MAY HAVE BOXING BOUTS HERE JULY 4

VERNON ATHLETIC CLUB WILL ATTEMPT TO STAGE PROGRAM ON THAT DAY.

A boxing card for Vernon on the afternoon of July 4 is the program of the local athletic club. The local organization plans to stageistic and wrestling encounters at the fair grounds and will advertise the event widely throughout this section.

Arrangements are under way to obtain as principals for the day Joe Smith of Danver and Martin Geurs of Wichita Falls, light heavyweights and clever, fast boxers. These men have reputations as clean reliable fighters and can be counted upon for an excellent battle.

Preliminaries will be staged by club members and a few outsiders. They will consist of boxing and wrestling bouts.

The boxing program is being arranged in order to provide the athletic club with funds for new rooms and equipment.

ties will consist of making surveys of their respective communities with the object of improving housing conditions, encouraging club work, advocating home gardens and orchards, encouraging the raising of hogs, cows, and chickens, installing school lunches, beautifying school grounds, and organizing county libraries.

SERVICES TONIGHT IN AIRDOOME

Rain Interfered With Preaching by Elder Foy E. Wallace Sunday and Monday Nights.

Rain Sunday and Monday nights interfered with the revival services announced for the Airdome under auspices of the Church of Christ. The Airdome was practically full Sunday night when the breaking of the rain storm made it necessary to dismiss. Rain started early last night, and no services were attempted.

Elder Foy E. Wallace will preach tonight, weather permitting, on "Why I Believe the Bible." The general public is invited.

CHAUTAUQUA TICKETS GO ON SALE HERE FRIDAY

Chautauqua tickets will be on sale Friday, according to an announcement made by R. D. L. Killough, committee chairman, this morning. The exact method of sale to be observed has not as yet been decided upon, but a representative of the chautauqua is expected here shortly to give directions.

Those who will engage in selling tickets will be tendered a banquet Friday evening. Mr. Killough is desirous that the public does not wait to be called upon for patronage to the chautauqua, but that persons voluntarily make purchases of tickets and thus save a great amount of time for the committee.

MISS HAZEL EAKLE AND R. BROWN WED

YOUNG COUPLE LEFT SUNDAY FOR FORT WORTH AND DALLAS.

Miss Hazel Eakle, daughter of Mr. and Mrs. L. C. Eakle, and Robert D. Brown were married Sunday morning at 10:30 at the home of the bride on the corner of Eagle and Marshall Streets. Rev. Gus Rammage wedded the young couple, and the ring ceremony was used. Immediate friends and relatives of Mr. and Mrs. Brown were present.

White gingham, sweet peas, and smilax were used to decorate the room in which the wedding was performed, making a most attractive setting. The bride was attired in a wedding gown of gray taffeta trimmed with silver lace and accessories to match. Her trayding suit was of blue tricotine.

The newly married couple left Sunday afternoon for Fort Worth and Dallas and were given an effusive farewell at the Denver station by a large delegation of friends.

Native of Vernon.

The bride was born and reared in Vernon and graduated from the local high school in 1917. Following her schooling here, she attended the Canyon normal school for two years. She has many friends here and is one of the most attractive of Vernon's young women.

Robert O. Brown is one of the proprietors of the Vernon Drug Store and came to this town two years ago the first of June. He has been in the drug business since that time. Previous to that he was associated in business with George Hardin, one of his present partners, at Wichita Falls, and before that lived two years at Cooper.

His father, A. W. Brown, lives at Butler, Okla. Mr. Brown is a graduate of the Fort Worth University and the Fort Worth Medical College.

Out-of-Town Guests.

Out-of-town guests for the wedding were Mrs. Gaines L. Tanner and son Billy of Dallas; Miss Pearl Eakle, sister of the bride, of Dallas; Miss Florence Brown, sister of Mr. Brown, from Wichita Falls; Mrs. R. M. Gilchrist, son of Burkhardt; and Mrs. Fannie Drummond and children of Paducah.

Mr. and Mrs. Brown will return to Vernon about June 15 and will live at the residence of Dr. J. A. Nunan on S. Main St.

Church Societies Meet.

The Westminister Guild of the Presbyterian Church met yesterday at the home of Miss Roselyn Baird. Those present discussed Bible questions and followed their regular program. The Ladies' Auxiliary of the same church met yesterday with Mrs. M. K. Byrd.

Girl to Mr. and Mrs. Floyd.

A girl was born Sunday, June 5, to Mr. and Mrs. Frank Floyd living in northeast Vernon. Mother and child are doing well.

QUANAH CHURCH IS SECOND WITH QUOTA

REV. O. P. CLARK REPORTS AN OVERSUBSCRIPTION TO EDUCATIONAL FUND.

The Quanah Methodist Church is second in the Vernon district to reach its goal in the campaign for Christian education. It was asked to pledge \$7,925, and has about 15 per cent more than that amount. Rev. O. P. Clark is pastor and G. A. Vestal is charge financial director.

It is the opinion of the local Methodist Church is a little less than \$11,000. Nearly \$7,000 of this amount has been pledged. E. S. Davis is local financial director.

Reports indicate that about \$17,000 had been pledged Sunday by the entire M. E. Church, South. The goal is \$33,000,000. An intensive campaign will be carried on all this week, and longer if necessary. Church leaders regard this as the most momentous undertaking in the Church during half a century.

Native of Vernon.

Margaret was the first charge in the Vernon district to reach the goal. With a quota of \$3,218, Margaret announced the first day of the campaign that \$200 more than the amount had been pledged. Rev. J. M. Fuller is pastor, and H. Hunt is financial director.

The quota of the local Methodist Church is a little less than \$11,000. Nearly \$7,000 of this amount has been pledged. E. S. Davis is local financial director.

Reports Indicate.

"I appreciate the fact that you have had promises of the submission of the law for repeal, but it does not appear that there will be any grave hardship

CHAMBER WOULD HAVE TRUCK LAW HELD IN ABEYANCE

Communication To County Attorney Requests That Measure Imposing Heavy Tax On Operators of Truck Be Not Enforced Locally Until It Is Reconsidered—Must Be Observed.

A communication representing the "truck bill" which will go into effect June 12 as a vicious piece of legislation has been forwarded to John A. Storey, county attorney, by the Chamber of Commerce. The letter asks that the measure be held up locally until there have come definite assurances from the State government that it will stand. The communication from the commercial organization is as follows: "The so-called 'truck bill' is a vicious piece of legislation. It goes into effect on June 12. Owing to the fact that this bill is clearly unjust and to the further fact that we have assurances from Governor Neff that he is going to submit it to the legislature for repeal, I ask you not to enforce this law in this county, at least, until we know what the action of the legislature will be."

Will Effect Farmers.

"When this law goes into effect on June 12, it will go into effect just at the beginning of our wheat harvest. The farmers need all the encouragement and assistance they can get. This organization does not believe that the farmers, or anybody else should be assisted in violating the law, but owing to the fact that this bill is to come up so soon for further consideration, I urge that you annoy that you will merely hold the law in abeyance until the special legislature's action on this bill has been taken."

Following is in part the reply of Mr. Storey in regard to a non-observance of the law.

"It is my opinion that the law is rather harsh in some respects and no doubt will impose hardships upon the truck operator. The law, as I interpret it, will not require the payment of any additional license or tax the day it is effective, but merely requires a new registration certificate from the tax collector, which is without expense. It also requires the truck operator to keep a record of the mileage he covers to exceed the limits of an incorporated city, and this record does not have to be made to the Collector of Taxes until some three months, except for a period of 20 days from the twelfth to the first of July.

Shows Keeping Records.

"I appreciate the fact that you have had promises of the submission of the law for repeal, but it does not appear that there will be any grave hardship

PHOEBE K. WARNER TALKS ON IDEALS TO CLUB WOMEN

Well Known Writer and Worker for Women's Organizations in Texas Makes Address Before County Federation Saturday—Reception Is Held at Night—Many Attend.

She has been affectionately named the "Little Brown Wren," and such she appeared when she stepped demurely upon before her audience here Saturday afternoon. She was introduced, however, as Mrs. Phoebe K. Warner, director of rural work for the Texas Federation of Women's Clubs, member of the Board of Extension of the College of Industrial Arts and special writer for the Fort Worth Star-Telegram editorial page, and she had come from her home in Claude to make the chief address of the occasion, which was the meeting together of all those belonging to Wilbarger County Women's Organizations.

As she began to talk about "Ideals," she seemed to represent one herself—that of the successful combination of the old-fashioned mother and housewife with the modern women of twentieth century advantages and opportunities.

"Our problem today," she said, "is one of the small town and community. We must perfect the small things before we can hope to perfect the large ones. I think the Creator put the idea of Ideals into man when He created him. Only one perfect man has ever lived, but that does not mean that we can not all aim at perfection. We can almost attain it, whether we ever actually do or not, and the good comes in the almost."

Must Perfect Women First.

"The fact that God made one perfect man is proof to me that He expects us to work toward a perfect generation. This we can never have unless we first of all have perfect womanhood; and second we must have a perfect man."

The speaker, in her earnest and impulsive manner, went on to say that she believed God's idea of perfection to be one of unity, a lesson in which is taught us every night in the Heavens above. "Spread out before us are God's stars, each doing its own work, and letting all the others do theirs. Some shine brighter than others, but the lesser lights do not cease their efforts because of their inferiority. When clouds obscure them from our sight we know they are still there and that the next night they will shine forth again. Some times the clouds of life hang heavy over us but we can eliminate them by helping to clear the skies of</p

MOTOR TRUCK LAW TO BE ENFORCED BEGINNING JUNE 1

(Continued from page one of distinction)
the tire equipment, the speaker declared, of vehicle and her women and the town who 100 lb. clothes line. The inside of Pneumatic the same, the same things make Solid tire had, or discouraged, help us or Iron, steel us. We are the same human beings no matter where we live; but it is how that makes us unlike.

A plan of living that will eliminate these superficial lines will have to be worked out by the women because men are too busy with material things."

Ours To Begin Things.

"Where are some ideals that we can hang up in solving this problem of living?" she asked. "The County Federation is a beautiful one. Before another thirteen years I hope that every woman in the county will be linked with some others in club work of some kind. It will develop her as nothing else will and it will make her a part of a greater community than her own family circle."

"Some people actually wonder why women are so narrow minded?" Mrs. Warner spoke in a surprised tone. "I think we are wonderful compared to the secluded lives that most of us live. Many men dislike their wives to belong to clubs and other organizations because of the squabbles they get into. Now let me tell you," the little woman enunciated in stern tones, "if there is ever a squabble worse than the one our men folks had in the last state and federal election I don't want to hear of it."

"It is ours to set up ideals which our children and grand-children may attain. We should work for the coming generations and not for ourselves alone; we should not hesitate to start working toward an ideal which we know is too far ahead to be reached in this generation; for think—if our mothers had not striven for things they never attained we would not be enjoying those things now."

"To make Texas perfect we must first make the small county—unit perfect. The State Federation hasn't yet touched half of the phases of woman's life; but the heart of the organization is growing faster than its head and it is even now throbbing with love for women all over the country. Often, however, we become impatient with our growth, never stopping to realize that our opportunities are much greater than were our mother's. It is ours just to try to lay the foundation for a perfect life."

Mrs. Warner received applause when she declared that she was more in favor of beginning at the source of life—youth—and preventing a generation from becoming a criminal one than she is in promoting work to reform the criminals already made.

Many Criminals Now.

"Criminal tendencies are like weed seeds; they blow in and take root where nothing else is growing. It requires no effort to grow a generation of criminals and it seems to me that we have made a wonderful success in growing a crop of them in this age. I believe there were never so many women criminals as we read about in the papers of today. Maybe it is because the law is off us for the first time and the crushed and pent up spirit of the woman who has been a slave to men is getting even' at last."

"Women are not as big fools, though, as some men expected us to be," Mrs. Warner said a trifle boastfully. "The Creator made no mistake in making women for the home, but there is much that needs to be done outside to make that place pure and fit for her to stay and rear her children. Women have been driven out of their rightful place, the home, by the crime of men; but if we can create a sentiment for laws that will make the men of the nation support women in their homes we will be on the approach to a perfected generation."

"To have our nation peopled with individuals such as we would choose we must control the creation. We should get an ideal of a boy fifty years from now and work toward that ideal. We can't control creation by making our boys and girls marry whom we pick for them, but if society were what it should be we would not have to worry about their marriages nor the coming generations."

Needs Full Purse.

"One of the biggest missions which we have now to fulfill is providing a means for the country woman to have a purse of her own that is not empty. There should be a cash market for butter and eggs so that the farm woman can dispose of her left overs and have money to buy the things that town women enjoy."

Mrs. Warner emphasized that fact that the egg and butter problem is a bigger one than the cotton problem, because the egg money comes back to the home in the form of music, good books, electric lights, bath rooms and other things that make life more comfortable and more enjoyable to the women and children; while cotton money usually goes to buy machinery to grow more

cotton to buy more machinery."

"Do you know," the speaker asked, "that 65,000 girls of our nation were actually lost last year? Where they went no one knows. They simply disappeared, and why? Because the dinginess and stinginess of their homes made them seek the light. They went out into the world untaught concerning its dangers and they were trapped into oblivion. It is said that ninety per cent of fallen women come from the country. They fall, in the city where they go to seek the cash job that will give them pretty clothes and evening pleasures such as their sisters of the towns and cities have."

Need New Education.

"One of the largest ideals of the present day is that of a perfected education. We will have to get an ideal education that will educate for life instead of cramming the heads of our boys and girls to full of facts and figures; their very energy is snuffed by the store of useless knowledge they carry. Let us get a vision of what our children need and put those things into our schools."

Mrs. Warner paid tribute to the county demonstration agents in speaking of them as the hope of the rural woman and the link between the country and the town. Through them the girls are taught things that will make them more capable women, even though the mothers of them refuse to attend club meetings and learn things for themselves.

"The Women's Club is the only school possible for every woman. Through such organizations we get history, art, and literature after we are old enough to appreciate it."

Praises C. I. A.

In closing Mrs. Warner spoke of the College of Industrial Arts as a school headed toward perfection. Girls are studied there, she explained, and then they are taught the things that will make them happy in giving service.

"It is ideals we need more than money, and it is ours to start to a new day. We should rear our boys and girls to carry out our dreams. They will be better for it."

Following Mrs. Warner's address Mrs. Harry Colley played a piano solo and Mrs. Edgar McHugh read a poem on "That Little Small Town Spirit." Before the address Mrs. John Brown gave a violin solo, accompanied by Mrs. W. N. Stokes.

Mrs. Newby Responds.

The afternoon program opened with an invocation by the Rev. Gus Ramage, followed by the singing of "America." Mrs. J. E. Collins made a short welcome address to the audience.

Reports of the various clubs concerning their accomplishments of last year and their aims for the present year were made as follows: Home Science, Mrs. Emory Rhoads; Parent-Teachers Association, Mrs. J. E. Lutz; Culture Club, Mrs. J. N. Johnson; Adelphian Club, Miss Harriet Thomas; W. C. T. U., Mrs. J. H. Watts; County Clubs, including those at Tolbert, Okanion, Elliott, Doane and Wild Cat, Mrs. H. A. Blevins of Okanion, and Civic League, Mrs. T. P. Lismann.

The following resolutions, prepared by Mrs. S. E. Lloyd, Mrs. W. M. Schindler and Mrs. W. E. Colley read and were proposed by the latter and unanimously adopted by the Federation.

Resolved, first, that we the Wilbarger County Federation of Women's Organizations, tender a rising vote of thanks and appreciation to Mesdames Phoebe K. Warner and C. H. Newby for their visit to us at this time and their splendid inspirational addresses, and we bid them God speed in their work of loving helpfulness.

Second, to the Vernon Record for their hearty cooperation and general publicity of our work.

Third, to the members of all committees for their faithful discharge of duties.

Fourth, to the pastor of the Central Christian Church for the invitation to hold this session in his house of worship, and for his willingness to assist in the services.

Fifth, that we have the best and most untiring president in the big state of Texas.

The Saturday afternoon meeting was

followed by an automobile ride over town and to Hill Crest Country Club. A reception was given at 8 o'clock at the home of Mr. and Mrs. Harry Mason. The presidents of the various clubs together with their husbands and the two guests of honor, Mrs. Warner and Mrs. Newby, stood in line. A musical program was given and a short talk was made by Mrs. Warner.

condition was the stumbling block to his happiness until a golf ball hit him and brought on a bad case of lobe. Now hotfoot after a flit and a fortune, he wonders how he could ever have found war exciting.

Thompson Community

Thompson, June 6.—(By special correspondence.)—The recent rains that have fallen were very much appreciated by the farmers of this community. They will be very beneficial to the crops.

The farmers of this community have begun harvesting their grain crops.

Mrs. J. T. Latimer and two sons, Floyd and Virgil, of near Chillicothe, have been visiting her brother, John Chisham and family.

Floyd Latimer and his two cousins, Misses Alverda and Leora Cheatham visited Misses Mary Lou and Leatha Dennis Wednesday night.

Roland, and Misses Ruby, Jewell, Clara Mae, and Mary Sellers of White City spent Sunday night with their uncle, T. M. Dennis, and family.

Monroe Dennis has been suffering with his eye after getting sand in it. He is improving rapidly.

O. P. Crites made a business trip to Rayland Saturday.

The club girls of this community met Miss Edith Lacy at the home of Mrs. A. F. Gaston and took lessons on preparing salads. They will meet with Misses Alverda and Leora Cheatham next Friday.

Importers, exporters, travelers— ship and sail under the Stars and Stripes

THERE are today few ports in the world of importance to shippers or travelers, which cannot be reached by ships that sail under the Stars and Stripes.

President Harding has said that, "We cannot sell successfully where we do not carry" The American Merchant Marine that once almost vanished is again an established and important carrier of the world's commerce.

You can ship or sail any where in American ships designed for utmost comfort and safety.

The Story of Our States

By JONATHAN BRACE
XXVIII.—TEXAS

THE ill-fated

expedition of Navarez was responsible for the first interest in Texas.

This large expedition was wrecked at the mouth of the Mississippi in 1528. Four members including Cabeza de Vaca were captured by the Indians and spent eight years wandering through the country eventually reaching the Gulf of California. It was their accounts of rich Indian villages which led the Mexican governor to send Coronado to explore this country. He returned after a two-years' trip without discovering the reputed riches which he was seeking.

To counteract the aggressions of the French settlements in Louisiana, the Spanish established many missions throughout Texas, the most important being at San Antonio. When the United States negotiated the Louisiana Purchase from France they considered that Texas was a part of this territory. Over this question war was nearly precipitated but finally the United States withdrew their claims in exchange for Spain's withdrawal of claims to the Oregon region.

Many Americans began to settle in Texas, among them General Sam Houston and Stephen F. Austin. Mexico became alarmed at this rapid increase of American pioneers which threatened to crowd out the Mexican population. Oppressive measures were adopted and caused the Americans to rise in rebellion in 1836. During this uprising occurred the gallant defense of the Alamo by a handful of Americans and their slaughter by the vastly superior numbers of the Mexicans. "Remember the Alamo" became the Texans' slogan. General Houston decisively defeated the Mexican forces at the battle of San Jacinto and the Republic of Texas was launched with Houston as president. The flag contained one star, and from this comes the name the Lone Star State. After considerable opposition from the North, Texas was annexed to the Union and became the twenty-eighth state.

SCHOOL TEACHERS LEAVE FOR SUMMER

NUMBERS HAVE RETURNED TO HOMES IN VARIOUS PARTS OF THE STATE.

Numbers of teachers in Vernon schools during the past year have left the city for their respective homes or places where they will summer. The majority of the instructors, however, live in Vernon.

Superintendent of Schools B. F. Sisk left Monday morning for Canyon where he will conduct the summer school. In the fall he will go to Leland Stanford University in California where he will be an instructor in English. Mr. Sisk is the author of several text books.

Mr. and Mrs. D. M. Hooper have gone to Boulder, Colo., for the summer. Mr. Hooper was a teacher in the Parker school.

Of the high school teachers, Miss Mary Lynn Walker has gone to her home in Fort Worth; Miss Ethel Hatchet has returned to Abilene; Miss Mabel Rockett has gone to Waxahachie; Miss Pearl Russell has returned to Houston for the summer; and Miss Jessie Hickman has gone to her home in Marietta, Okla.

H. O. Smith, principal of the Shive school is at Canyon. Mr. and Mrs. W. C. Smith have gone home to Abilene. Mr. Smith was principal of the local high school. Miss Myrtle McKinney of the Central school has gone to Waco. Miss Florence Womack of the Central school has returned to her home in Colorado, Texas.

DELEGATES MAKE REPORTS ON DISTRICT CONFERENCE

An all-day meeting of the Methodist Missionary Society was held in the church yesterday at which time were in reports of the Northwest Texas conference held in Quanah last week. session convened at 11 o'clock Mrs. Etta Long in charge. After singing of a song a scripture lesson on Psalms was read and discussed. Mrs. Long who later reported on the conference. Lunch was served and half hours were enjoyed from 12 until o'clock. The next hour was spent in Bible Study conducted by the Rev. S. W. Hayne, the lecture being on the return of Paul from the Council in Jerusalem on his first missionary journey. From 3 to 4 o'clock a business session was held and further reports on the conference were made by Mrs. S. W. Hayne, Mrs. L. E. McCurdy and Mrs. Etta Long. The next meeting will be held on the second Monday in July.

It was announced that Miss Alice McLarty had been awarded the scholarship from this conference to the Scarritt Bible and Training School in Kansas City, she having volunteered for the Foreign Field. She will take up her studies in the fall.

Conference officers elected at the district meeting are as follows: President, Mrs. G. N. Rollins of Abilene; vice president, Mrs. W. B. McGowan of Throckmorton; recording secretary, Miss Jessie Greene, Floydada; treasurer, Mrs. R. C. Montgomery, Haskell; superintendent of young people's work, Mrs. T. C. DeLaney, Memphis; superintendent of children's work, Mrs. L. D. Smallwood, Memphis; superintendent of publicity, Mrs. A. L. Moore, Memphis; superintendent of supplies, Mrs. J. M. Crawford, Childress; superintendent of social service, Mrs. J. G. Merritt, Colorado City.

Card of Thanks.

We wish to express our heartfelt gratitude to all, for their untiring help and loving sympathy in the sad loss of our dear husband and father.

WANTS VACANT LOTS CLEARED OF WEEDS

CITY MARSHAL ISSUES PLEA TO CIVIC PRIDE OF VERNON RESIDENTS.

A plea to the civic pride of Vernon in regard to the cutting of weeds on vacant lots and tidying up premises, has been issued by Marshal R. H. Bratton. Many lots are badly overgrown with weeds that are not merely unsightly, but are a harboring and breeding place as well for mosquitoes and disease, he says.

Especially on Main street, according to the marshal, is this condition noticeable. Parkings and vacant lots in this vicinity are for the most part badly in need of attention. It will be better for the property owners to cut the weeds voluntarily, it is pointed out, than to wait for a notification.

League Takes No Part.

The Civic League will take no hand in the matter of inducing the cutting of weeds this year, officers stated yesterday. Two years ago this organization participated in a drive of this nature, but the expense proved prohibitive and no plans were made for this year.

Joe Summer, Guy Pettif and Miss Frances Hicks motored to Crowell Sunday.

Hinds Demonstration Club to Meet.

The home demonstration club composed of Hinds young ladies will meet with Miss Irene Muller Tuesday afternoon, June 14, at 2 o'clock.

MORE RED TAPE.

Not the least of objections to the motor truck law effective Sunday is the bookkeeping required. It seems difficult for many of our law makers to conceive that the average man does not have a bookkeeper to record the number of miles he drives, the speed at which his car travels, and if he goes in more than one county, how far in each.

There are other required records, which would befuddle the mind of the average citizen, leaving him uncertain whether or not he is a law-breaker.

The new law requires that application be filed for the registration of each motor vehicle used by him. There is a fee for this. Then there is a charge based on carrying capacity, on tire equipment, on weight.

Not only is the keeping of these records burdensome, the various fees to be paid seem unjust. Our farmers are finding that the motor truck solved many of their hauling problems, leaving more time for productive effort, for home improvement, or community endeavor. We are in danger, it seems, of making our laws so complex that we will pull down our civilization about our own heads.

Undoubtedly motor trucks are a heavy drain upon our highways. It is not unreasonable that they should pay somewhat for the damage they do. On the other hand, the owner of a motor truck must not be discriminated against.

It is understood that Governor Neff will submit to the special session of the legislature the question of repealing this bill. Surely the friends of the motor truck will look after their interests when this opportunity is given.

THE CLOCK PUNCHING HABIT.

One provision of the agreement put into effect while the Government had control of the railroads seems to have been that of allowing employees one extra hour each week for punching the clock. This extra hour was paid for regardless of the number of hours worked. It is said to cost the railroads \$6,445,658 in six months.

One of the causes of our present depression is the "clock-punching" habit that fastened itself upon us during those halcyon days of 1919 and 1920. The idea of too many men in high position, and low, was—not how much work for a day's pay, but how little.

We are gradually coming to realize that the "clock-punching" habit must go; that men must lay themselves out; that honest effort will place a man ahead if it is coupled with constructive thinking, loyalty and a happy disposition. Without any of these a man is handicapped.

One thing it is vital for young Americans to understand again is that neither George Washington, Benjamin Franklin, Thomas Jefferson, nor others who have stamped their names on the scanty roll of the immortals knew anything about "clock punching." James J. Hill didn't know what it was. Nor can any man who expects to get ahead of the common average afford to acquire the "clock punching" habit.

We used to "get ready" on our own Clarendon.

time and asked pay for our productive effort. We will doubtless get back to that habit again—although we had almost come to where all of our time was put in changing clothes, adjusting machinery, sharpening saws, and appallingly little given to getting anything done.

BAD HOMES THE CAUSE.

Judge Ben B. Lindsey, the "Kid Judge" of Denver, attributes most of the evils we face to bad homes. By the term "bad homes" he does not mean homes that are positively evil, but that fail in the development of character—homes where the parents offer no companionship and little inspiration to their children.

"We must have a parenthood in this country," Judge Lindsey declares, "that first learns what evil is and knows how best to fight it. A parenthood that shall come to know that the child's greatest safeguard against evil is not so much by censorship by a policeman with a club on every corner to direct what one sees, hears, or does, but by the simpler expedient, through companionship, spiritual training, education, ideals and confidences that will educate the child as to what evil is."

How many parents in Vernon really take time to consider the evils which their children must face, to understand the child's attitude toward life's problems? How many study their children enough and have fellowship with them sufficiently to inspire the boys and girls to confidence in their elders—that confidence that gains entrance into the child mind when grave problems arise, and shares in the struggle?

Judge Lindsey adds that there must also be some sportmanship in our fight against evil—some sense of fair play. There are too many "squealers" he thinks, who try to put the blame on the other fellow when they go wrong.

We are engrossed too much in making money, rather than men; too much in the grip of greed, of materialism, of the idea of having a good time. Is there any question but that we must sacrifice somewhat of these in order to rid our day of many of its evils, and to raise our sons and daughters worthy of America?

TWO PREVENTABLE PESTS.

Weeds growing along our streets and on vacant lots will spring up as if by magic, following the abundant rains. The moisture will also turn various unsanitary spots into a paradise for flies. Because both flies and weeds are a menace to health, indisputable evidence of filthiness, and an eyesore to the beholder, it behoves us to wage unremitting warfare against both.

Two hours a week would keep down the weeds on any of the vacant lots, or along the highways. If it is asking too much to insist that the owner give this much time, if necessary to a task of such large importance to the community?

A simple trap constructed of screen wire, or bought for 50c, if fifty of them were placed by restaurant owners, grocers, confectioners, and in the back yards of home owners would so successfully cope with the fly, as to render the pest negligible. Then, if lime were used liberally around the breeding places of flies, they would practically disappear.

Why not make Vernon a weedless town and a flyless town?

CHRISTIAN ENDEAVOR CONVENTION AT WACO THIS WEEK

The thirty-second annual convention of the Texas Christian Endeavor will be held at Waco June 8 to 12, and between 1,000 and 1,500 delegates from all parts of the State are expected. Speakers of prominence will include Dr. J. H. Burma of Waxahachie, Dr. William States Jacobs of Houston, Dr. Colby D. Hall of Fort Worth, and W. Roy Brug of Dallas. Mr. and Mrs. A. R. Wilgus of San Antonio and Robert Jolly of Houston will direct the singing. Miss Esther McRuer, whistling soloist of Oklahoma City, has been secured for the convention.

The Christian Endeavor has grown in Texas from a small band of young people to about 18,000 in number and about 600 societies. It is said this will be the largest gathering of young people in any state in the Union.

Miss Jamie Lester left Saturday night for Arkansas to visit relatives and friends. She was accompanied by her sister, Mrs. Robert Wilson of Clarendon.

WILL APPEAR AT CHAUTAUQUA THIS MONTH.

EXPRESS FAITH IN TRIANGLE HOLE

STOCKHOLDERS VOTE TO CARRY TEST DOWN AS FAR AS POSSIBLE.

Stockholders in the Triangle Oil Company yesterday expressed their faith in the test which has been put down south of town, and voted unanimously to finish the project as nearly as possible. The meeting was held in the basement of the library building, and much interest and enthusiasm was manifested by those present.

The liner will be pulled from the hole and drilling will proceed immediately, J. E. Watts said after the meeting. The bit will be sent down as far as possible, and every effort will be made to reach a paying strata. It is thought by drillers that neither sand struck thus far is of real paying quantity.

Hole In Good Shape.

The hole is in excellent shape, Mr. Watts said, and is ready now to be drilled deeper. M. L. Daily, the man who drilled in Sigler number 1, was present at the meeting and bent added enthusiasm through expression of the belief that there is a depth still that carries oil.

Thus far \$49,600 worth of stock has been issued by the Triangle although it is capitalized for considerably more than this amount. Therefore it is planned to issue the same amount of stock again and sell it only to stockholders in the concern. This will be done at a very attractive figure.

SHOULD KEEP ON TRYING
OIL POET SAYS IN VERSE

The following clipping is especially significant for the terse message it carries to local oil operators. It is printed with this consideration:

Sure Thing.

The proven fields now spouting oil
Were wildcat once, just common soil,
Until a man displayed the nerve,
And from his purpose would not
swerve.

For all the knockers in the land—
Until his drill had found the sand
That put the works upon the square
And made the man a Millionaire.

Then all the knockers, great and small,
Their rotten luck began to bawl,
And every measty tightwad hog
Saw in the man a lucky dog.
They couldn't see it wasn't luck;
But common sense and bulldog pluck,
And building castles in the air
That made the man a Millionaire.

For you the same chance stands today
To make the liquid gold sands pay.
If you've the nerve to take a flyer,
To boost your bank accounts up higher.
We'll try to make your pockets fill
If you help us push the drill,
"Faint hearts ne'er won a maiden fair"
Nor cold feet made a Millionaire.

NO STATE LAW AGAINST
GLARING HEADLIGHTS

There is no state law regulating the burning of blinding head lights on automobiles, according to a communication received by the Vernon Chamber of Commerce from the state highway engineer. Such a measure was enacted but was later repealed. An investigation was made by the local commercial body in response to an appeal from a Vernon hotel to attempt to obtain the enforcement of a law that would be of distinct service to traveling men, many of whom cover their territories in cars.

It is pointed out that traffic at night on the newly paved road east of town will be distinctly dangerous in the event that speeding cars are also equipped with high power lights. According to the Chamber, an appeal will have to be made to motorists to use dimmers when approaching other cars.

Will Plan Worm Eradication.

Dallas, May 27.—Plans for the eradication of the pink boll worm in Texas will be definitely laid at a conference to be held in Austin today. Two meetings will be held during the day, one with the Commissioner of Agriculture, George B. Terrell, and another later in the day with Governor Neff. The Texas chamber of commerce requested statewide organizations to send delegates to the conference, and the Texas Agricultural and Mechanical College will be represented.

Slight Cut In Government Rolls.

Congress, despite all efforts at economy, is unable to reduce the executive establishments to anything approximating their pre-war size. Before the war there were 27,000 Federal employees in the District of Columbia. When the armistice was signed the number exceeded 100,000. At the present it is 84,911. When the new year begins, between 4,000 and 5,000 will go because their salaries have been cut off.

RED CROSS NURSE FINDS MARRIAGE A FAILURE.

Mrs. Wallace Strait Schultz, formerly the Princess Troubetzkoy of Russia, and reputed to be the most beautiful Red Cross nurse in France, has found, it is said, that her marriage was all a mistake and a failure. She is now living in San Francisco under an assumed name to establish a residence there in order to bring suit for divorce from her husband, a popular Milwaukee clubman. Wedded bliss with her husband was all a mistake, she says, for after a few weeks of married life Captain Schultz accused her of having a husband and brought suit for divorce. The former Princess claims that Captain Schultz, when he married her, knew that her first husband, Captain T. Turpin, had been killed in action in France.

FARM AND RANCH LOANS.

Lumber Is Today the Lowest Priced Building Material in America

Good barns, outbuildings and fences are indispensable equipment for profitable farming.

Farm buildings, built of LONG-BELL Trade-Marked lumber, and fences built with LONG-BELL Creosoted Posts, are the pride of their owners.

Farmers appreciate quality in lumber, they buy the best because they know it is true economy to do so. LONG-BELL lumber, combined with LONG-BELL Plan Service, produce handsome permanent buildings that increase the value of farms more than the cost of the buildings.

Select your farm buildings from our Plan Books—fence with LONG-BELL Creosoted Posts.

W. C. T. U. ADOPTS NEW RESOLUTIONS

MRS. E. L. McHUGH, DELEGATE TO
CONVENTION, REPORTS ON
THEM HERE.

Mrs. E. L. McHugh, local delegate to the W. C. T. U. convention held in Bay City, May 6, was hostess to the local chapter Thursday afternoon at which time she gave to the members a detailed report of the meeting which she attended. Others who took part on the afternoon's program were Miss Ola Ferguson who sang "Blue Bird," and Miss Mary McHugh who gave some piano selections. Angel cake and ice cream were served.

Mrs. McHugh gave to each of the members a card bearing a verse of scripture and a little piece of sulphur which she obtained from mine she visited in Bay City. Following are the resolutions which were adopted by the convention assembled and which Mrs. McHugh presented to the local organization:

Preamble.

We thank God that the principles for which we have stood all these years are being worked out in the laws of the land and in the lives of men. We pledge ourselves to renewed service until through the blessings of our Lord we see a world freed from the domination of the liquor traffic and made safe for future generations.

We thank God for the privilege of the ballot and pledge ourselves to work for the enforcement of the prohibition laws, and all the other principles for which we stand.

Declaration of Principles.

We reaffirm our belief that total abstinence for the individual and prohibition for both State and Nation constitute the only national solution of the liquor problem.

We believe in equal political rights for men and women and that the ballot in the hands of the women is a weapon for the destruction of the liquor traffic.

We believe that society, in conformance with God's law should maintain a single standard of purity for men and women.

We reiterate our belief in the establishment of courts of National and international arbitration which shall banish war from the world. We believe in a living wage, and equal pay for equal service; in justice, as opposed to commercial greed.

We therefore, declare our purpose to work during the coming year with increased zeal and deeper devotion for the promotion of the foregoing principles, and the accomplishment of our ultimate aim—prohibition for the world.

Resolutions.

Whereas, it is said on reliable authority that among civilized nations our country ranks second only to Japan in the number of divorces granted annually, and

Whereas, divorce is only a symptom of evils that are deep seated and increasing at an alarming rate in our southland; therefore, be it resolved that we favor legislation that will safeguard the marriage relation by requiring:

(a) Certificate of health from both contracting parties before a marriage license is issued.

(b) Withholding the marriage license from idiots, feeble-minded, epileptics and persons with incurable communicable diseases.

(c) That in crowded court centers, Courts of Domestic Relations be established to care for the interests of women and children.

Resolved, that we continue to demand that the "age of consent" be amended so as to protect the girlhood of Texas until the age of 18 years is reached.

And, whereas, the conservation of child life is a National necessity, and whereas, the use of narcotics and stimulants is weakening the young, therefore, be it resolved that we protect against the widespread sale of cigarettes to our boys and girls, and especially do we most vigorously protest against smoking in public eating places.

Want Industrial Care.

We deplore the fact that our legislators have seen fit to place the Sanitary Live Stock Commission, caring for calves and pigs, upon a higher plane, than our hard won department of Women in Industry, therefore, be it

Resolved, that we insist that our legislature establish by law an adequate Commission to care for the interests of Women and Miners in the Industrial field.

Resolved, that as citizens of Texas we feel it but justice to ask that women be placed upon Boards of Directors of all State and County Fairs, and every public institution wherein women are concerned.

Resolved, that we as an organization that stands for Sabbath observance, go on record as being opposed to the sentiment abroad in Texas tending toward running moving picture shows on Sunday, in violation of the law.

Knowing it as a fact that some moving picture shows are largely the cause of the moral decline, and that

they are schools for crime and vice, as is evidenced by the fact that Chicago Chief of Police has had to forbid films which are exhibited scenes of regime because of the shocking increase of juvenile crimes, attributed directly to the picture shows, and that there is no doubt whatever that one of the causes of the awful crime wave which is cursing our country from one end to the other as never before in its history is traceable to the moving picture and as senseless and demoralizing as some of these pictures are, parents continue to take their children to them, and that if we stop the diligent, successful and wholesome teaching of our children the arts of thieving, licentiousness and murder; we will have to close up and demand of our government officials that they make laws forbidding the exhibiting of such pictures, herefore, be it

Resolved, that we make war on all indecent films; whereas, there is a serious lowering of moral standards all over the world and this moral decline is threatening the sanctity and safety of our homes, due in part to the scant and immodest clothing of our women and girls, as seems the fashion now, we recommend a sane and healthful conformity to the fashion of the day.

Ask Bibles In Schools.

Whereas, we realize the education of our children must be four fold, mental, moral, physical and spiritual, and whereas, we deplore the fact that our time honored custom of reading the Bible in our public schools is decreasing, therefore, be it

Resolved, that we ask our principals and teachers throughout the State to open school each day with the reading of the Bible.

Whereas, our time are so stressing in the financial affairs of the day, therefore be it

Resolved, that we, as individual women and as an organization by practise and by precept, spread everywhere the virtue of economy, crying out against luxury and that the local unions take definite and concerted action against greed and waste, showing this to be the way of a peaceful adjustment.

And, whereas, the public school system of the State is seriously hampered by reason of the present system of taxation.

And, whereas, there are so many foreigners in our State needing Americanization, therefore, be it

Resolved, that we request an adequate appropriation be made by the Legislature for this work.

And, whereas, there are many abuses in our present prison system we favor the enactment of better laws, and working toward a better and more humane system for our State, to the end that the inmates of the institutions may be reclaimed for better lives, and that women inmates be given some profitable industrial employment.

Thanks To Bay City.

We wish to express our great appreciation for the very beautiful manner in which Bay City has entertained our Convention. Everything has been done for our pleasure and entertainment, and nothing left undone. We give thanks, not only to the local union, but to the county and City officials, for the unusual courtesy extended by the business men in closing their places of business and giving of their time and automobile to us for one whole afternoon, for the trip to the Submarine mine and to the Bay. To the management of the mines for souvenirs, for the fish fry; to the churches for the feasts provided at the noon hours; for the hospitality of the homes, to the Pastor of the hostess church and other pastors of the city. For the delightful music furnished; to the press, especially the Tribune; to the faithful reporters, Mrs. G. A. Moore and Mrs. T. V. Herndon. To the general chair man, Mrs. I. N. Barber, and to all who have in any way contributed to the success of our Convention.

Committee.

MRS. E. L. McHUGH, Chairman,
MRS. J. B. AMMERMAN,
MRS. C. R. PORTER,
MRS. JOSEPHINE COLLINS,
MRS. F. W. HOECKER.

Portable Roller Rink Erected.

A portable roller skating rink has been erected on the vacant lot just west of the Underwood Undertaking Parlors on East Pease street and part of the proceeds for the first ten days will be turned over to the local post of the American Legion. The floor is of hard maple and is 110 by 60 feet in dimensions. A canvas tent has been erected over the rink.

Jack Barnes of Amarillo visited in Vernon over the week-end. Mr. Barnes was formerly employed in the Vernon Drug Store.

T. J. Youngblood, returned Sunday from a visit to Mineral Wells.

Louis J. Byrd was in Vernon Thursday. He went from here to Wichita Falls. Louis is in the employ of R. M. Waggoner, superintending some construction work at Mangum, Okla. He had to be pulled out of the mud four times in his trip from Mangum.

SUBMARINES AND TORPEDOES TO WAGE WAR IN VERNON

Loose the dogs of war, ye shades of Admiral Von Tirpitz! Vernon is to be made the scene of a spirited warfare between submarines and torpedoes, and already there are submurmurs of enmity from the two seats of conflict which will contest one another.

A defi to the world of baseballdom issued last week from the lair of the Baptist submarines a challenge fairly reeking with confidence, arrogance and nonchalance. It embraced any worthy contender in Sunday school circles in the city, and carried with it the subtle insinuation that there were none worthy to whom to throw down the gauntlet.

Accepted Challenge.

And then—the Methodist torpedoes sat up in a new primer, and took notice. They regarded the issued defiance with the amount of pertinacity which only a self respecting torpedo is capable of exerting, felt of their percussion cap, and immediately notified the Baptist under water experts that there will be some debris flying in the near future.

Resolved, that we make war on all indecent films; whereas, there is a serious lowering of moral standards all over the world and this moral decline is threatening the sanctity and safety of our homes, due in part to the scant and immodest clothing of our women and girls, as seems the fashion now, we recommend a sane and healthful conformity to the fashion of the day.

Resolved, that we ask our principals and teachers throughout the State to open school each day with the reading of the Bible.

The game will be played at 6 o'clock.

MISS FRICK PLANS ART LIBRARY IN NEW YORK

Miss Helen C. Frick, daughter of the late Henry C. Frick, who served in the American Red Cross in France during the war, and who is now in London, has decided to carry on her father's art work in a novel way. She recently has been studying the famous art reference library of Robert Witt here with the idea of establishing a similar library in connection with the Frick \$30,000,000 collection of old masters housed in the family mansion in New York. Miss Frick is collecting photographs and prints to found an art reference library in New York. Mr. Witt and other art experts of Europe are assisting her.

FEDERATED CLUBS TO FINANCE WEEK'S SCHOOLING

The county girl winning the Wilbarger clothing contest will be sent to the short course conducted at College Station this summer free of charge. Her expenses will be borne by the local Federated Clubs, according to an announcement from officers of that organization. The short course consists of a week's intensive training in home economics.

The winner of the county clothing contest will be decided about July 1, home demonstration agents announced today. Women of the Federated Clubs will in all probability serve as judges.

Mr. and Mrs. W. K. Long and daughter Martha returned Sunday from a visit in Cleburne.

Crescent Cove Girls Meet.

Crescent Cove home demonstration club girls met Thursday in their regular meeting. The members learned to make salads and salad dressings.

Culbertson Slowly Improving.

M. C. Culbertson, who has been critically ill at his home on West Wilbarger street, following an operation Friday for gangrenous appendix is slowly improving. If no complications set in he is expected to be out of danger shortly. Streets for a radius of one block of Mr. Culbertson's home have been roped off in order that the patient may enjoy as much quiet as possible.

W. D. WILHOIT DIES MONDAY AT ABILENE

REPRESENTATIVE OF SHOE COMPANY WAS WELL-KNOWN LOCALLY.

W. D. Wilhoit, well known locally as a representative of the Brown Shoe Company and for his interests in the local oil field, died Monday morning at Abilene. The news was reached here by J. A. Dixon, a close friend of Mr. Wilhoit's.

The dead man had many friends in Vernon and had been making this territory for about twenty years. He had been in bad health most of that time. Mr. Wilhoit was about 40 years old.

Bad Office Here.

During the oil boom in Vernon Mr. Wilhoit maintained an office in the Bailey hotel for nearly six months and was head of what was known as the Wilhoit Syndicate, an association of local men interested in the Sigler field. Mr. Wilhoit made his home in Fort Worth, where his wife survives him. He had several brothers.

The Story of Our States

By JONATHAN BRACE

III.—NEW JERSEY

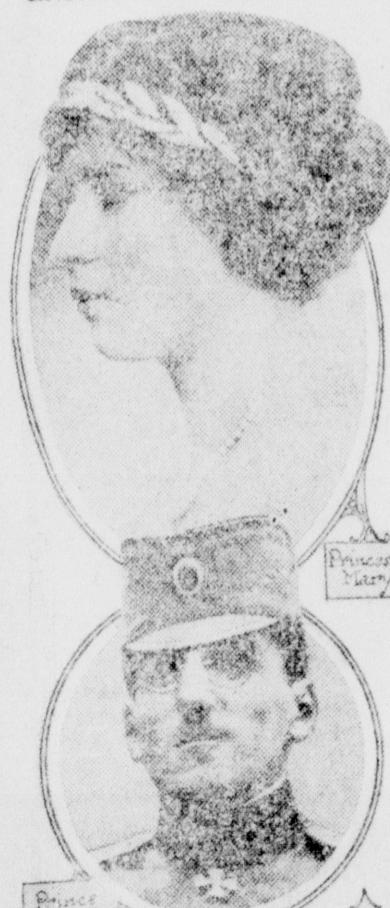

NEW JERSEY became the third state just six days after Pennsylvania had formally adopted the Constitution, which covers 8,224 square miles, originally was a part of the province of New Netherland. In 1664, after the English conquest of New Netherland, the Duke of York sold the southern portion to Lord Berkeley and Sir George Carteret. The latter had won some distinction as governor of the little island of Jersey in the English channel, and it was in his honor that the new province came to be called New Jersey. The eastern portion, that about Newark, was settled by Carteret and the territory to the southwest, where Burlington and Trenton now stand, fell to Berkeley. After a few years Berkeley sold his share to a party of Quakers and two distinct provinces were formed, called East and West Jersey. They were reunited, however, in 1702, and became a single province under the direct rule of the English crown.

New Jersey casts fourteen electoral votes for president.

PRINCESS MARY REPORTED ENGAGED TO SERBIAN RULER

Princess Mary, the only daughter of the King and Queen of England, is, according to current rumors, engaged again. This time, so the reports go, it is a "really true engagement" to Prince Alexander, Regent of Serbia. Dame Rumor has even gone so far in this case as to say that the wedding will take place in August. The Princess has been reported engaged many times. Princess Mary was born April 25, 1897, and christened Princess Victoria Alexandra Alice Mary. She is an accomplished musician and equestrienne, very popular with the British people and considered the highest type of English beauty. Prince Alexander, who is now Regent of Serbia, was born in 1888. He became Regent of Serbia in 1919.

VERNON SPLITS DOUBLE HEADER AND LOSES TITLE

(Continued from Page 1)

to Delmasco, Tarpley scoring. Washburn hit to Baird, who threw Rosen out at third. Holland was out trying to steal, Baird to Larrimore.

One run, no hits, one error.

Vernon—Baird was out, Jack Tarpley to Rosen. Small struck out. Larrimore hit to right field and stole second. He was out trying to make third.

No runs, one hit, no errors.

Sixth Inning.

Fort Worth—Wolf was out, Baird to Cabe. Clayton was safe on Baird's error and stole second. Clark was out. Baird to Cabe. Hull was out. Baird to Cabe.

No runs, no hits, one error.

Vernon—Curtis was out, Jack Tarpley to Rosen. Smith flew out to Holland. Cabe was out, Clark to Rosen.

No runs, no hits, no errors.

Seventh Inning.

Fort Worth—Jack Tarpley struck out. Joe Tarpley struck out. Rosen rolled out to Cabe.

No runs, no hits, no errors.

Second Game.

Vernon's consistent playing continued for two innings of the second contest, but the locals visibly weakened in the third and fourth frames. After the fourth inning the game was visibly lost. Play by play the contest was as follows:

First Inning.

Fort Worth—Tarpley was out. Smith to Cabe. Rosen struck out. Holland struck out.

No runs, no hits, no errors.

Vernon—Small was out, Jack Tarpley to Rosen. Larrimore struck out. Curtis flew out to Joe Tarpley.

No runs, no hits, no errors.

Second Inning.

Fort Worth—Washburn was out. Larrimore to Cabe. Wolf struck out. Clayton struck out.

No runs, no hits, no errors.

Vernon—Smith was out, Jack Tarpley to Rosen. Cabe struck out. Delmasco hit to left field but was out.

No runs, no hits, no errors.

Third Inning.

Clark hit to center field for two bases. Hull connected for a scratch hit which Baird could not field. Clark going to third. Jack Tarpley hit to Smith who fumbled and Clark scored. Hull was out at home trying to score. Joe Tarpley struck out. Rosen struck out.

One run, two hits, one error.

Vernon—Holland struck out. Parr flew out to Holland. Baird was out. Joe Tarpley to Rosen.

No runs, no hits, no errors.

Fourth Inning.

Fort Worth—Holland got a hit through second base. Washburn got an infield hit. Wolf hit to Baird who threw to third but Larrimore failed to tag Holland. Holland scored on a wild pitch. Clayton struck out. Clark bunted safely and Washburn scored when Cabe, who had run in, dropped the ball. Disgusted with himself, Cabe threw the ball on the ground and Wolf scored. Hull hit through first base and Clark scored. Jack Tarpley struck out. Joe Tarpley was out. Larrimore to Cabe.

Four runs, three hits, two errors.

Vernon—Small was safe on an infield hit and stole second. Small scored on an exchange of throws to catch him off second. Curtis struck out. Smith walked. Cabe rolled out to Rosen.

One run, no hits, one error.

Fifth Inning.

Fort Worth—Rosen was out. Baird to Cabe. Holland flew out to Cabe. Washburn struck out.

No runs, no hits, no errors.

Vernon—Delmasco hit to Rosen who made a nice stop and tossed to Jack Tarpley who failed to touch the bag. Delmasco was out trying to steal second. Hatt was out, Joe Tarpley to Rosen. Farrell flew out to Holland.

No runs, one hit, no errors.

Sixth Inning.

Fort Worth—Wolf struck out. Clayton hit to right field. Clark popped a low one but Baird and Cabe could not field it. Hull struck out. Tarpley struck out.

Vernon—Baird was safe on Joe Tarpley's error. Delmasco ran to Baird. Delmasco was thrown out at second on Small's blow. Larrimore struck out. Curtis struck out.

No runs, no hits, one error.

Seventh Inning.

Fort Worth—Joe Tarpley hit to right field. Rosen was out, Baird to Cabe. Holland lined out to Smith who completed a double to Delmasco.

No runs, one hit, no errors.

Vernon—Smith was out. Holland to Cabe. Cabe hit a two bagger to right field. Delmasco hit to Joe Tarpley who completed a double to Holland to Rosen.
